

Example event plot

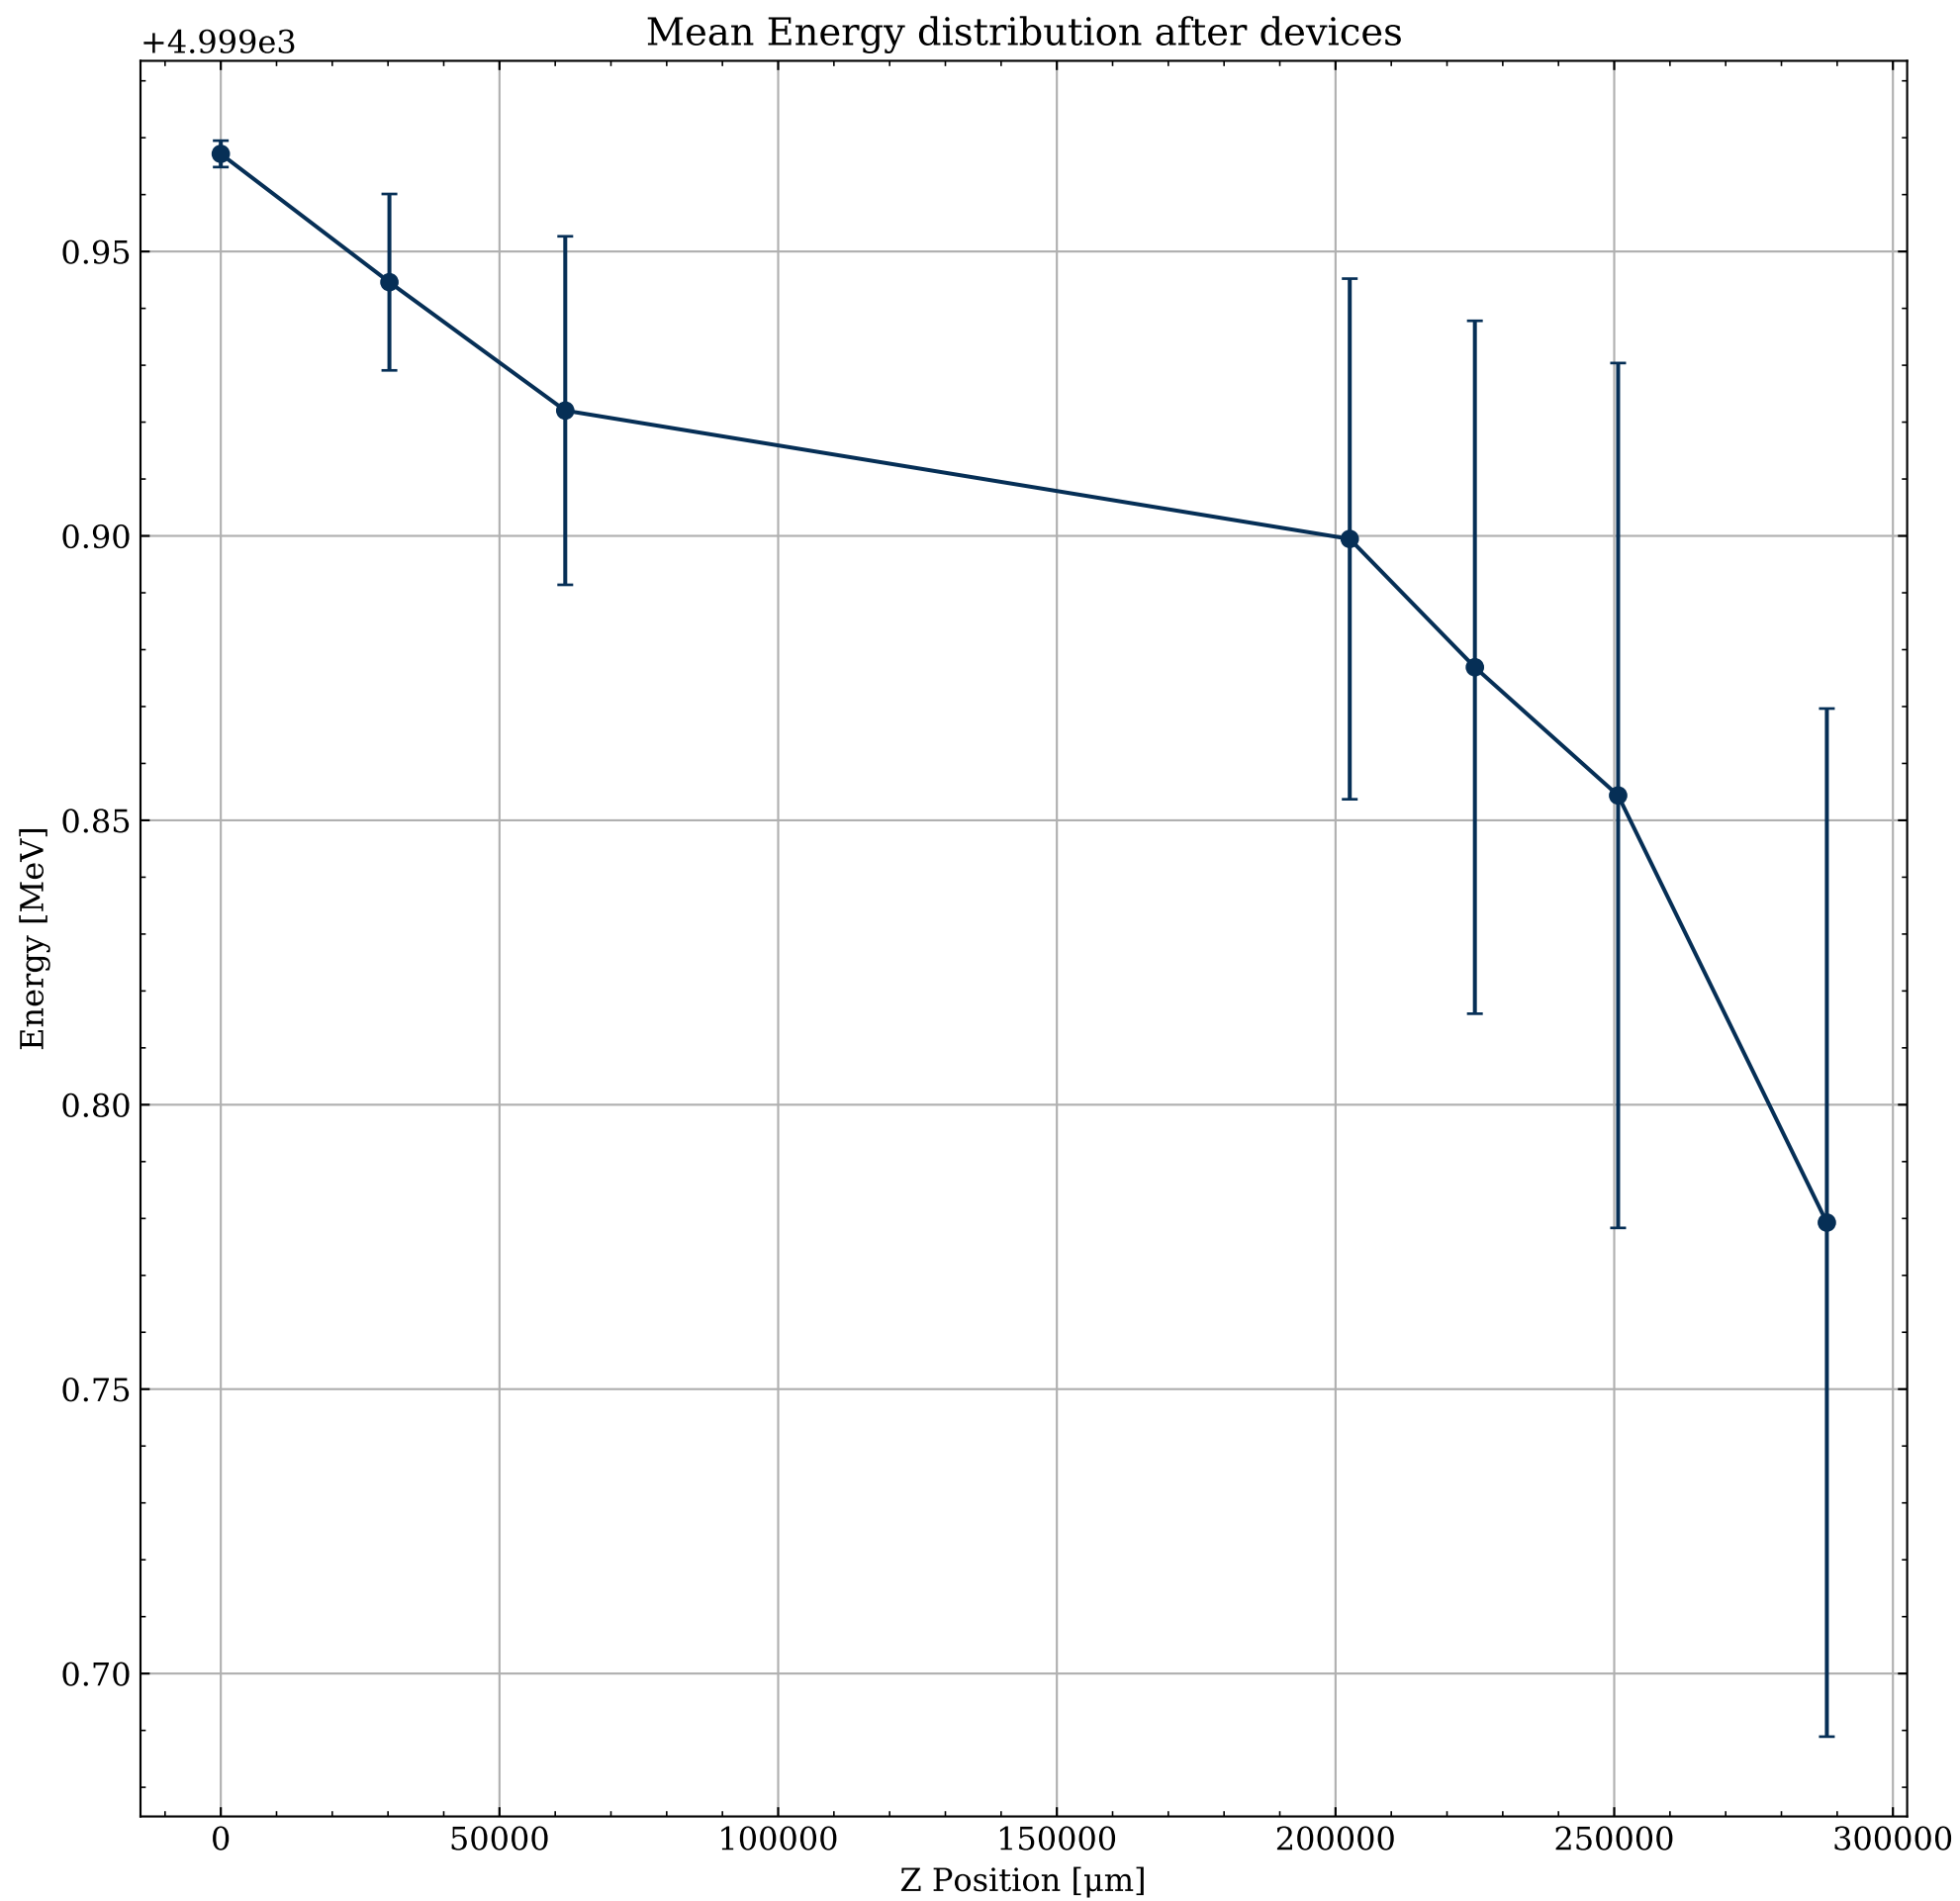

Energy distribution after devices

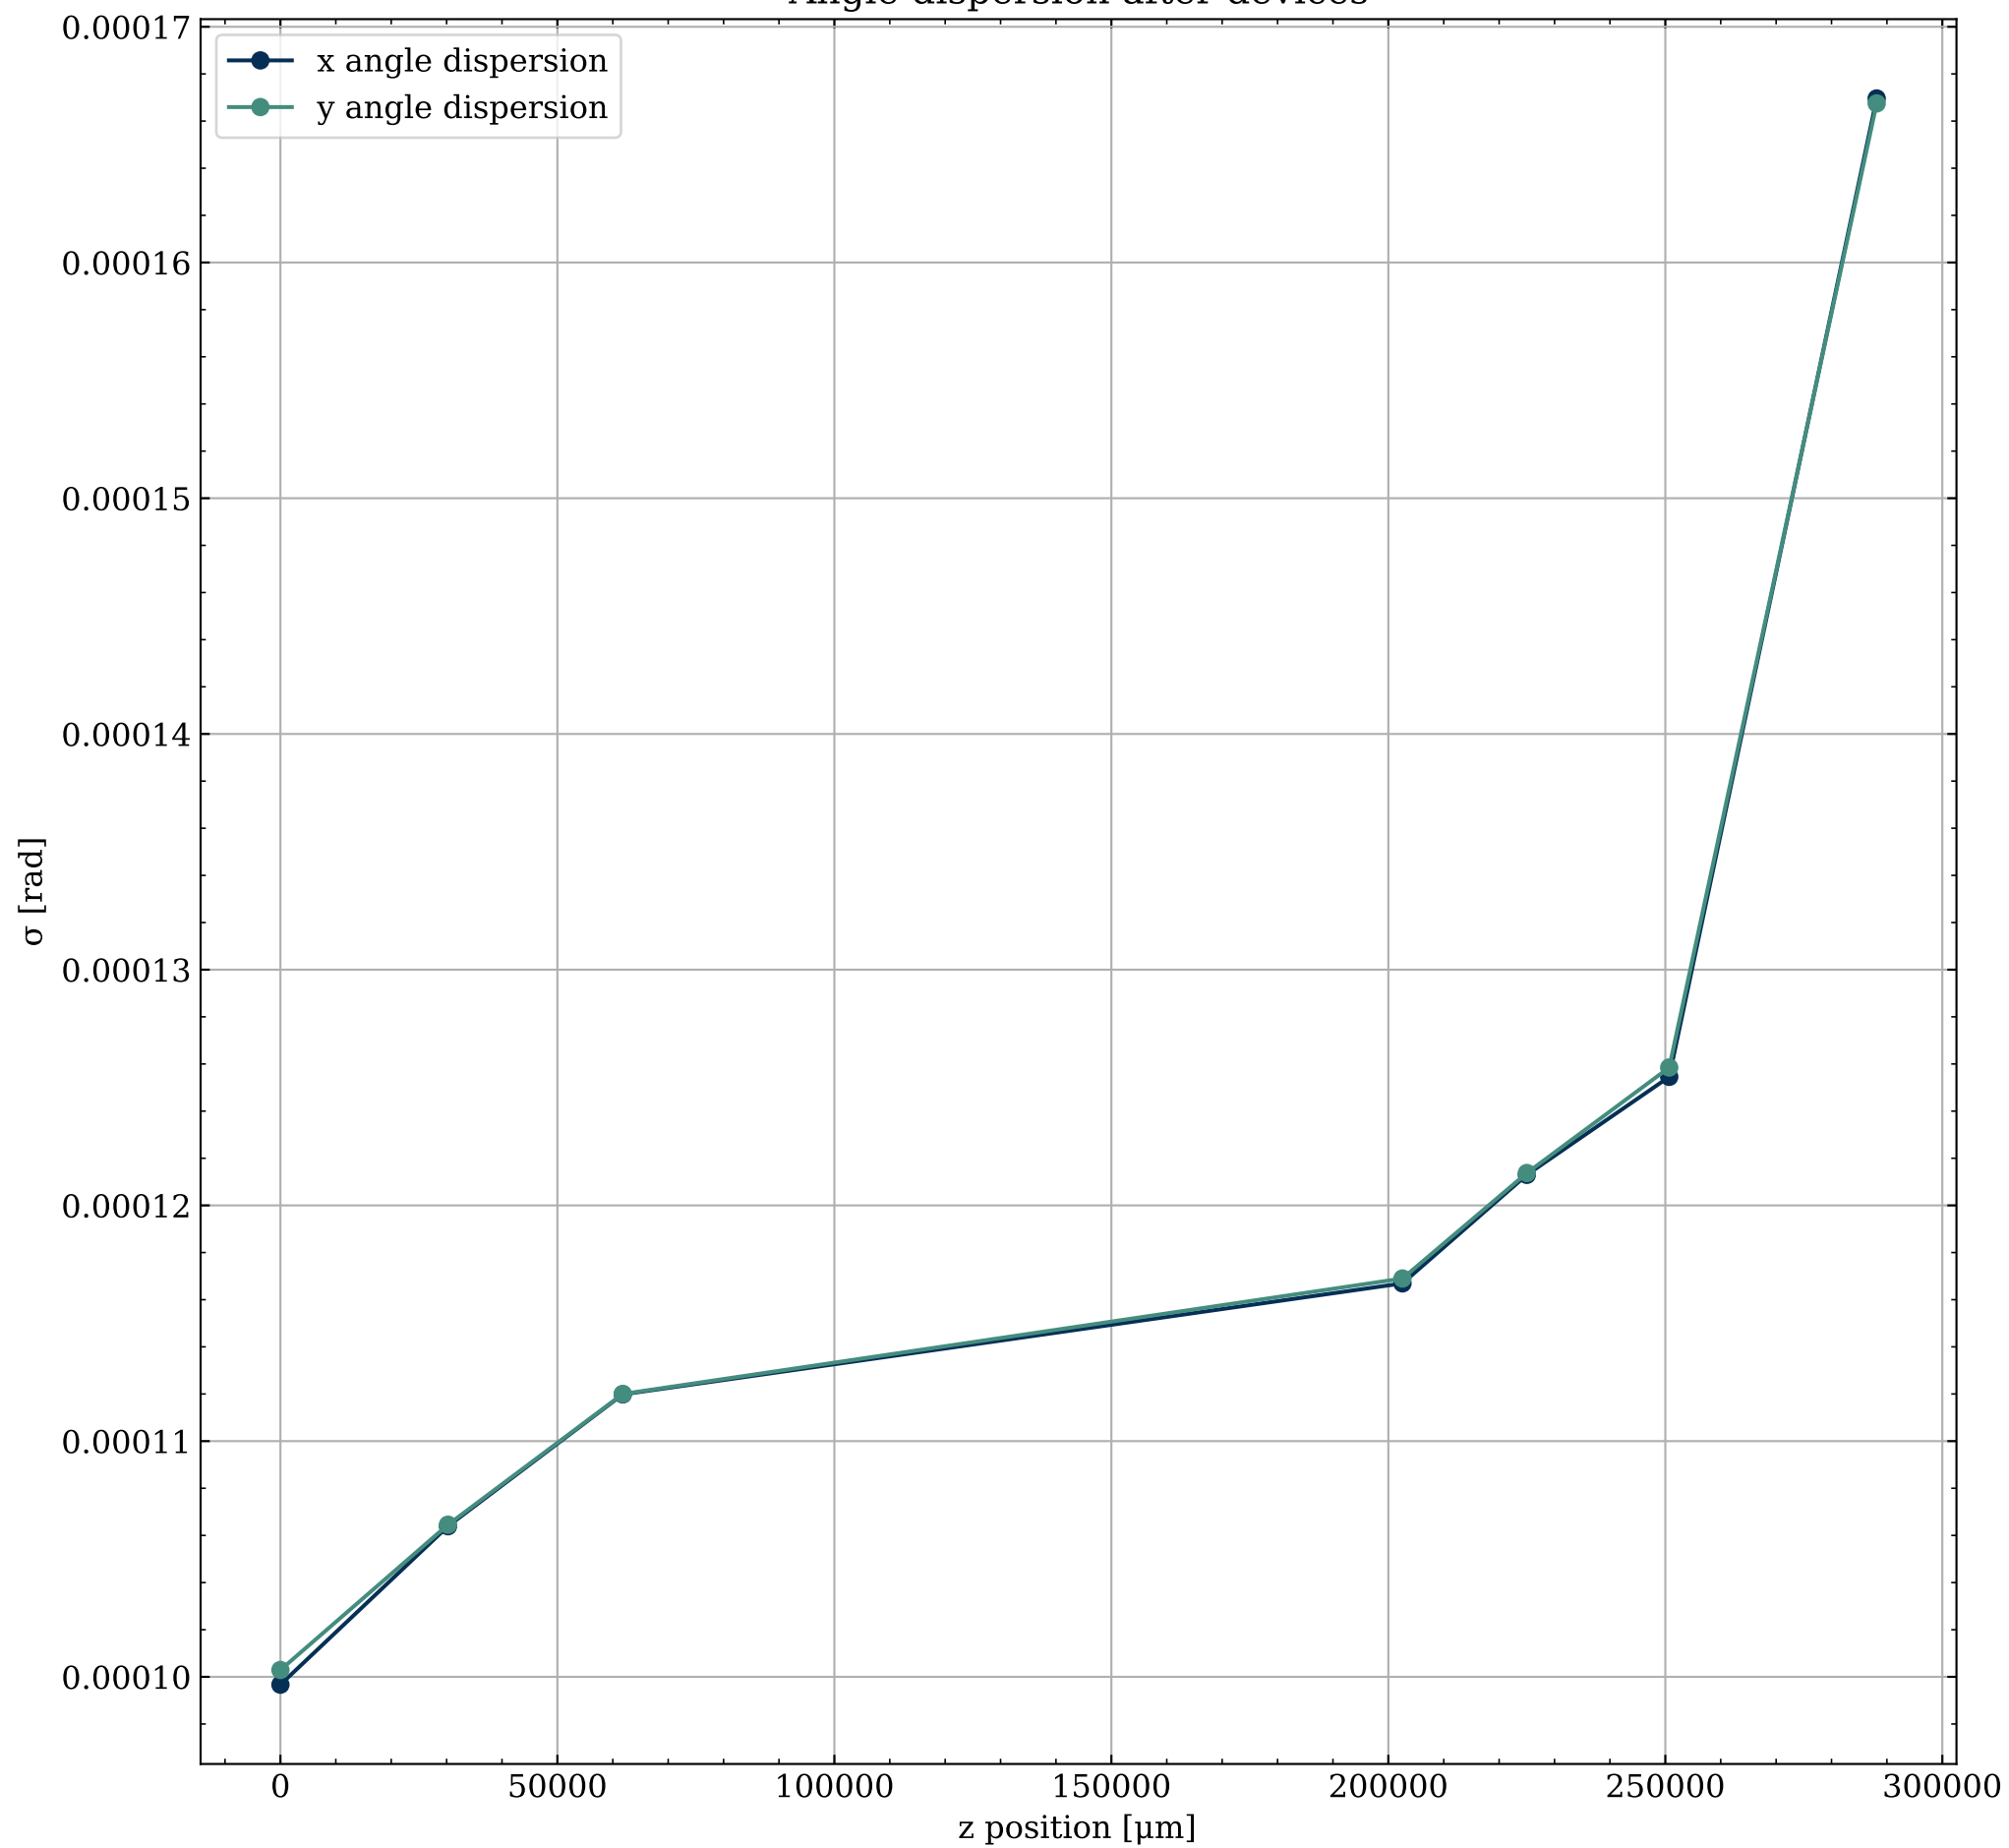

Correlation first-last device, 50k events

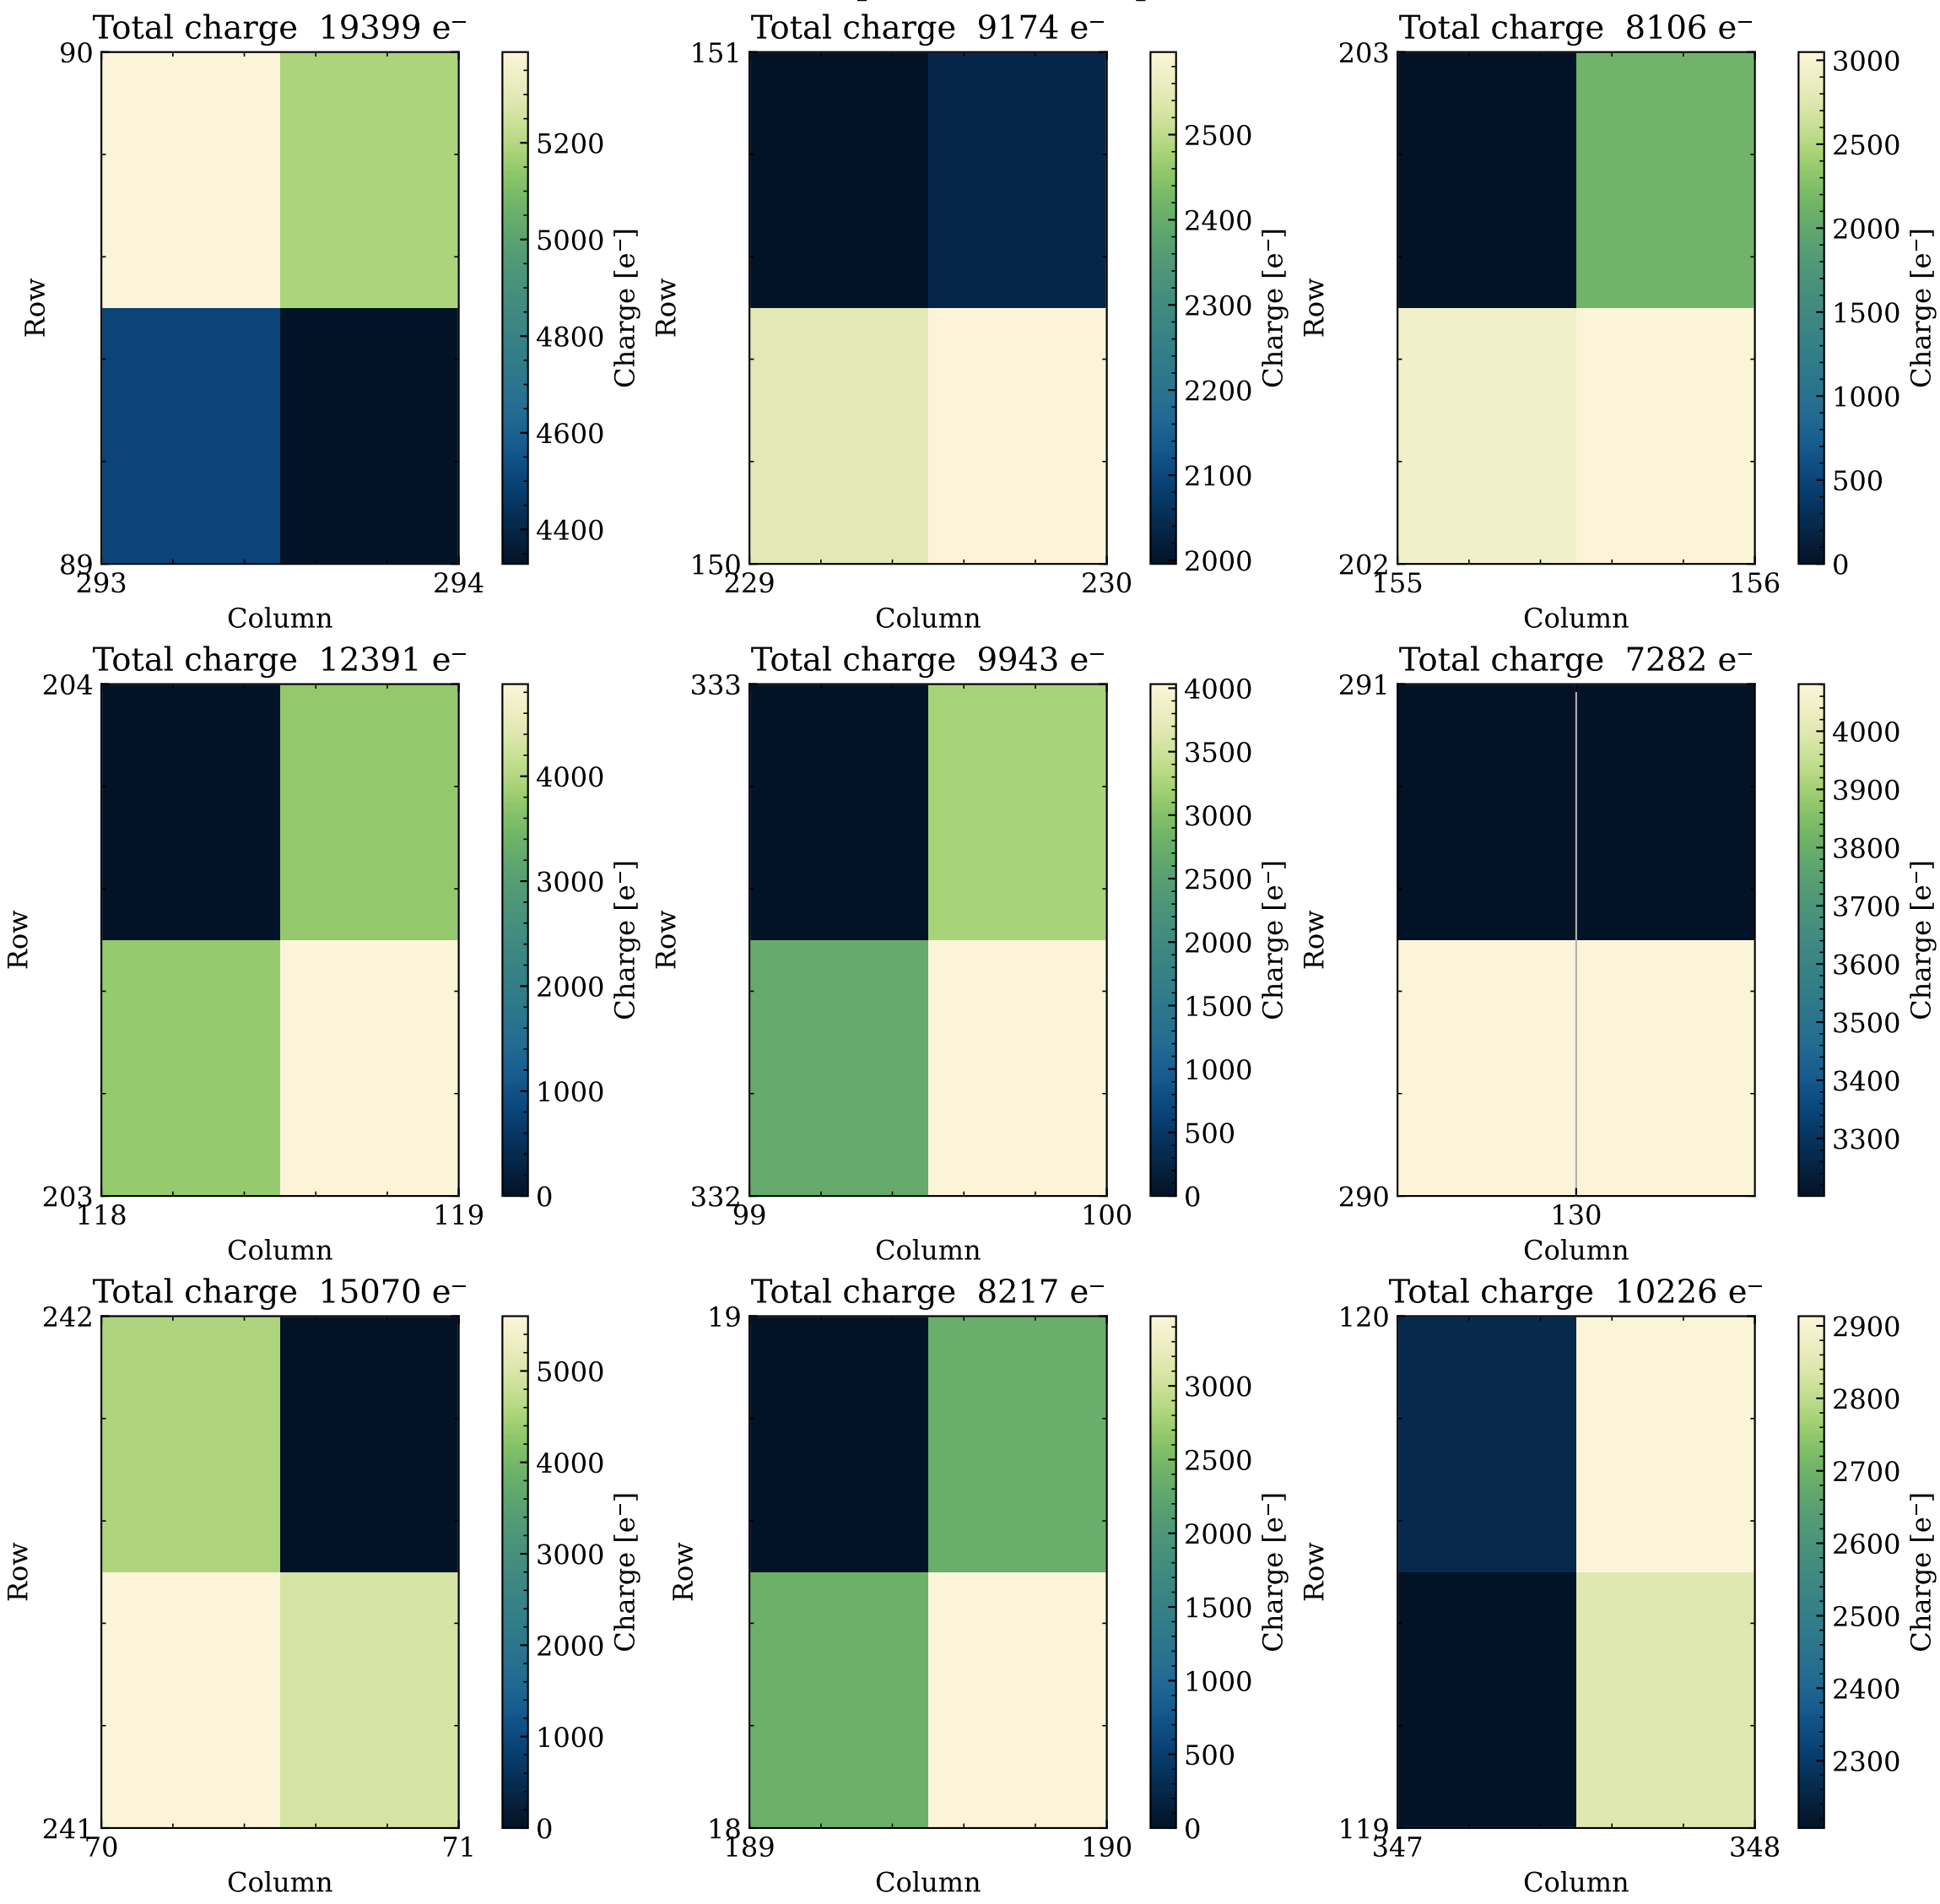

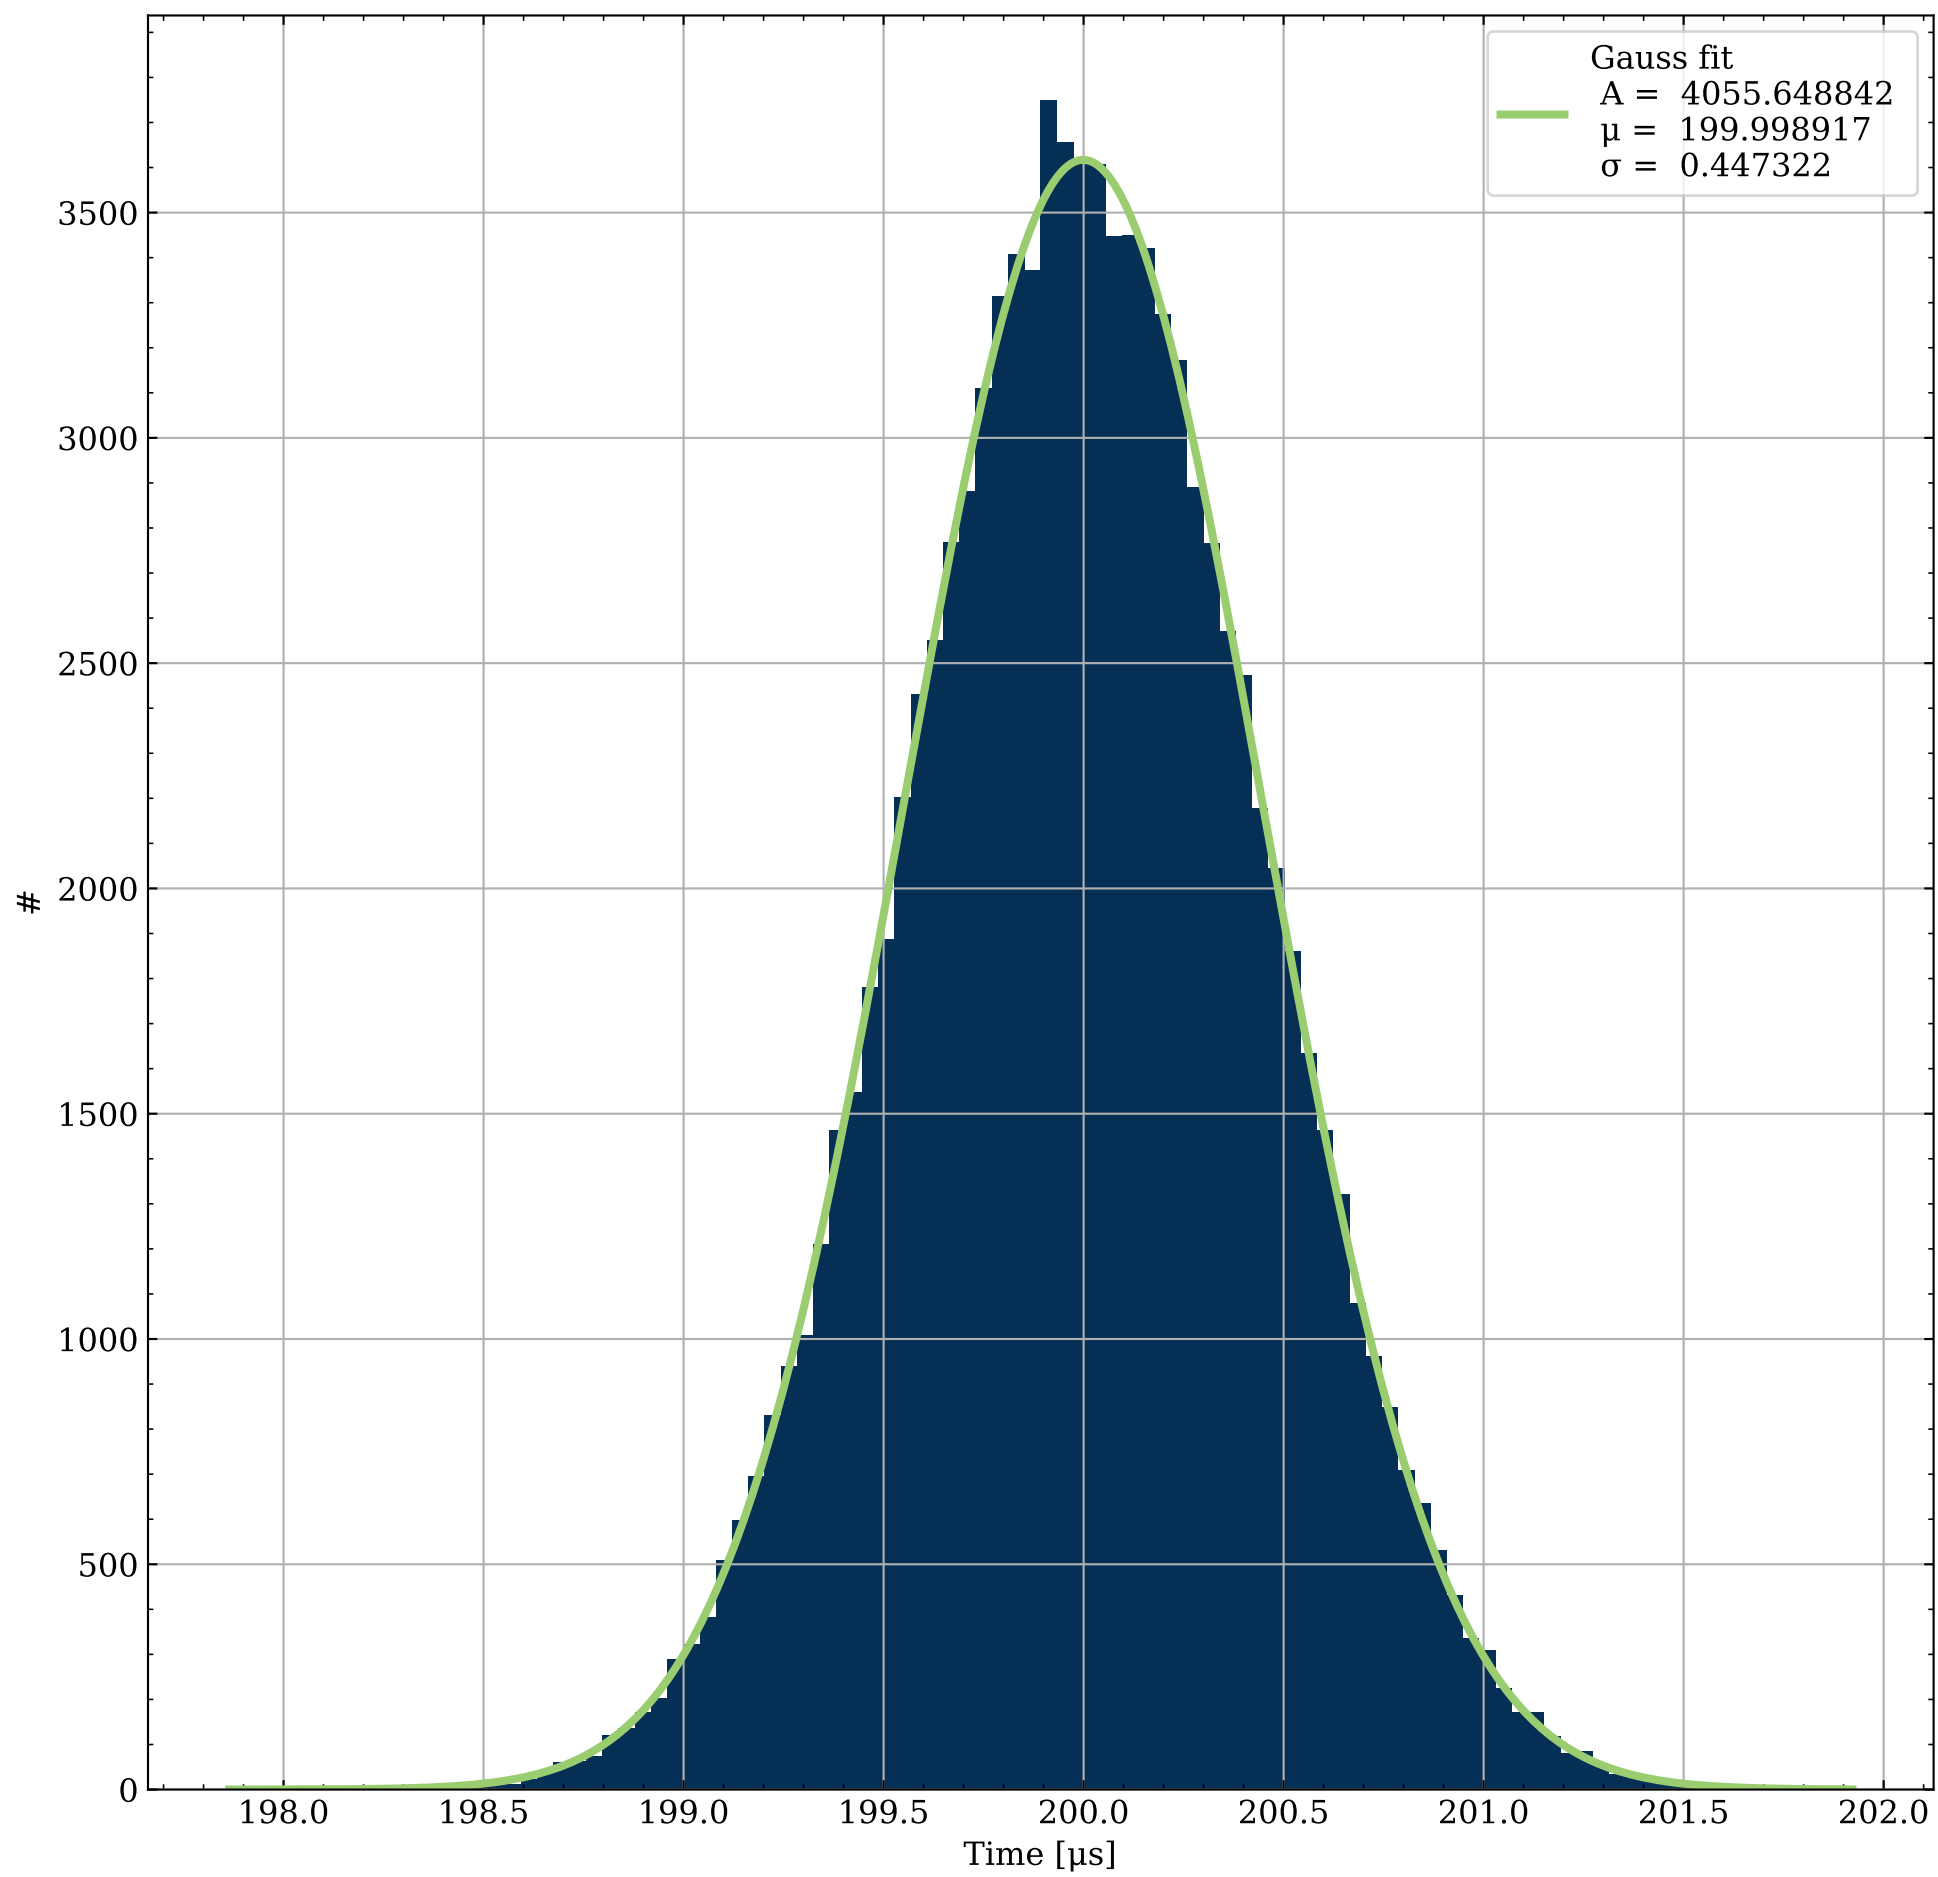

Angle dispersion after devices

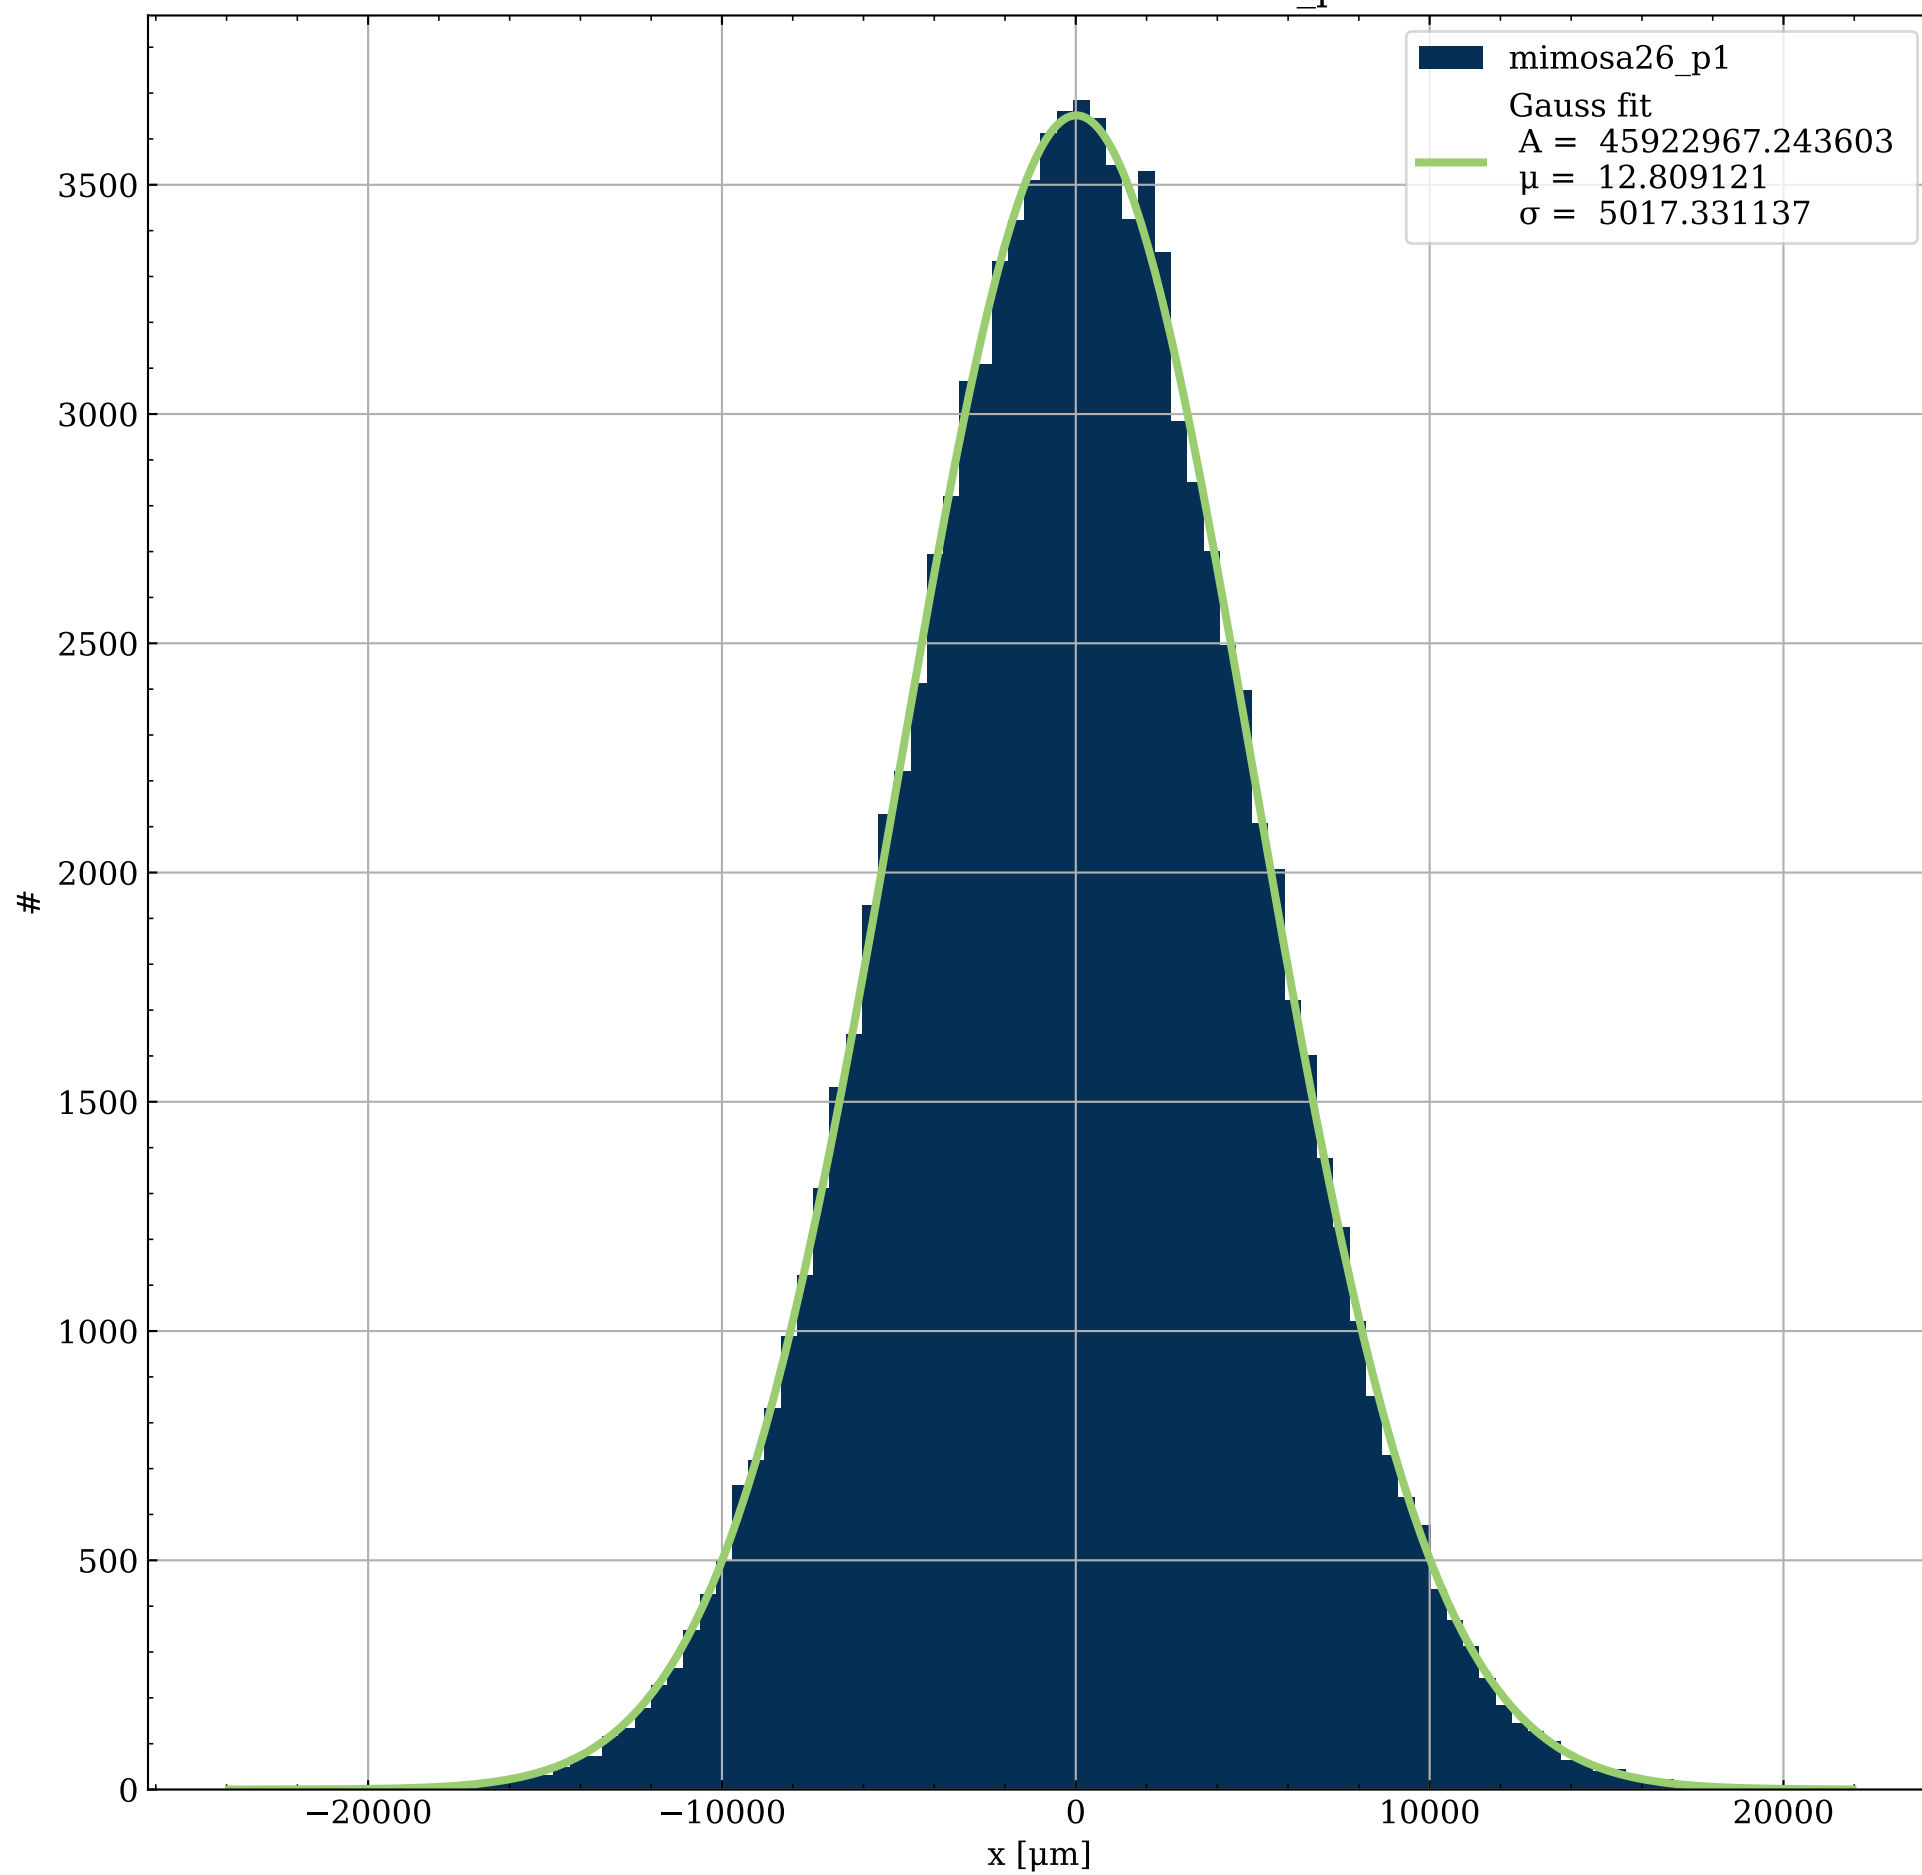

# Example Clusters itkpix

Time distribution

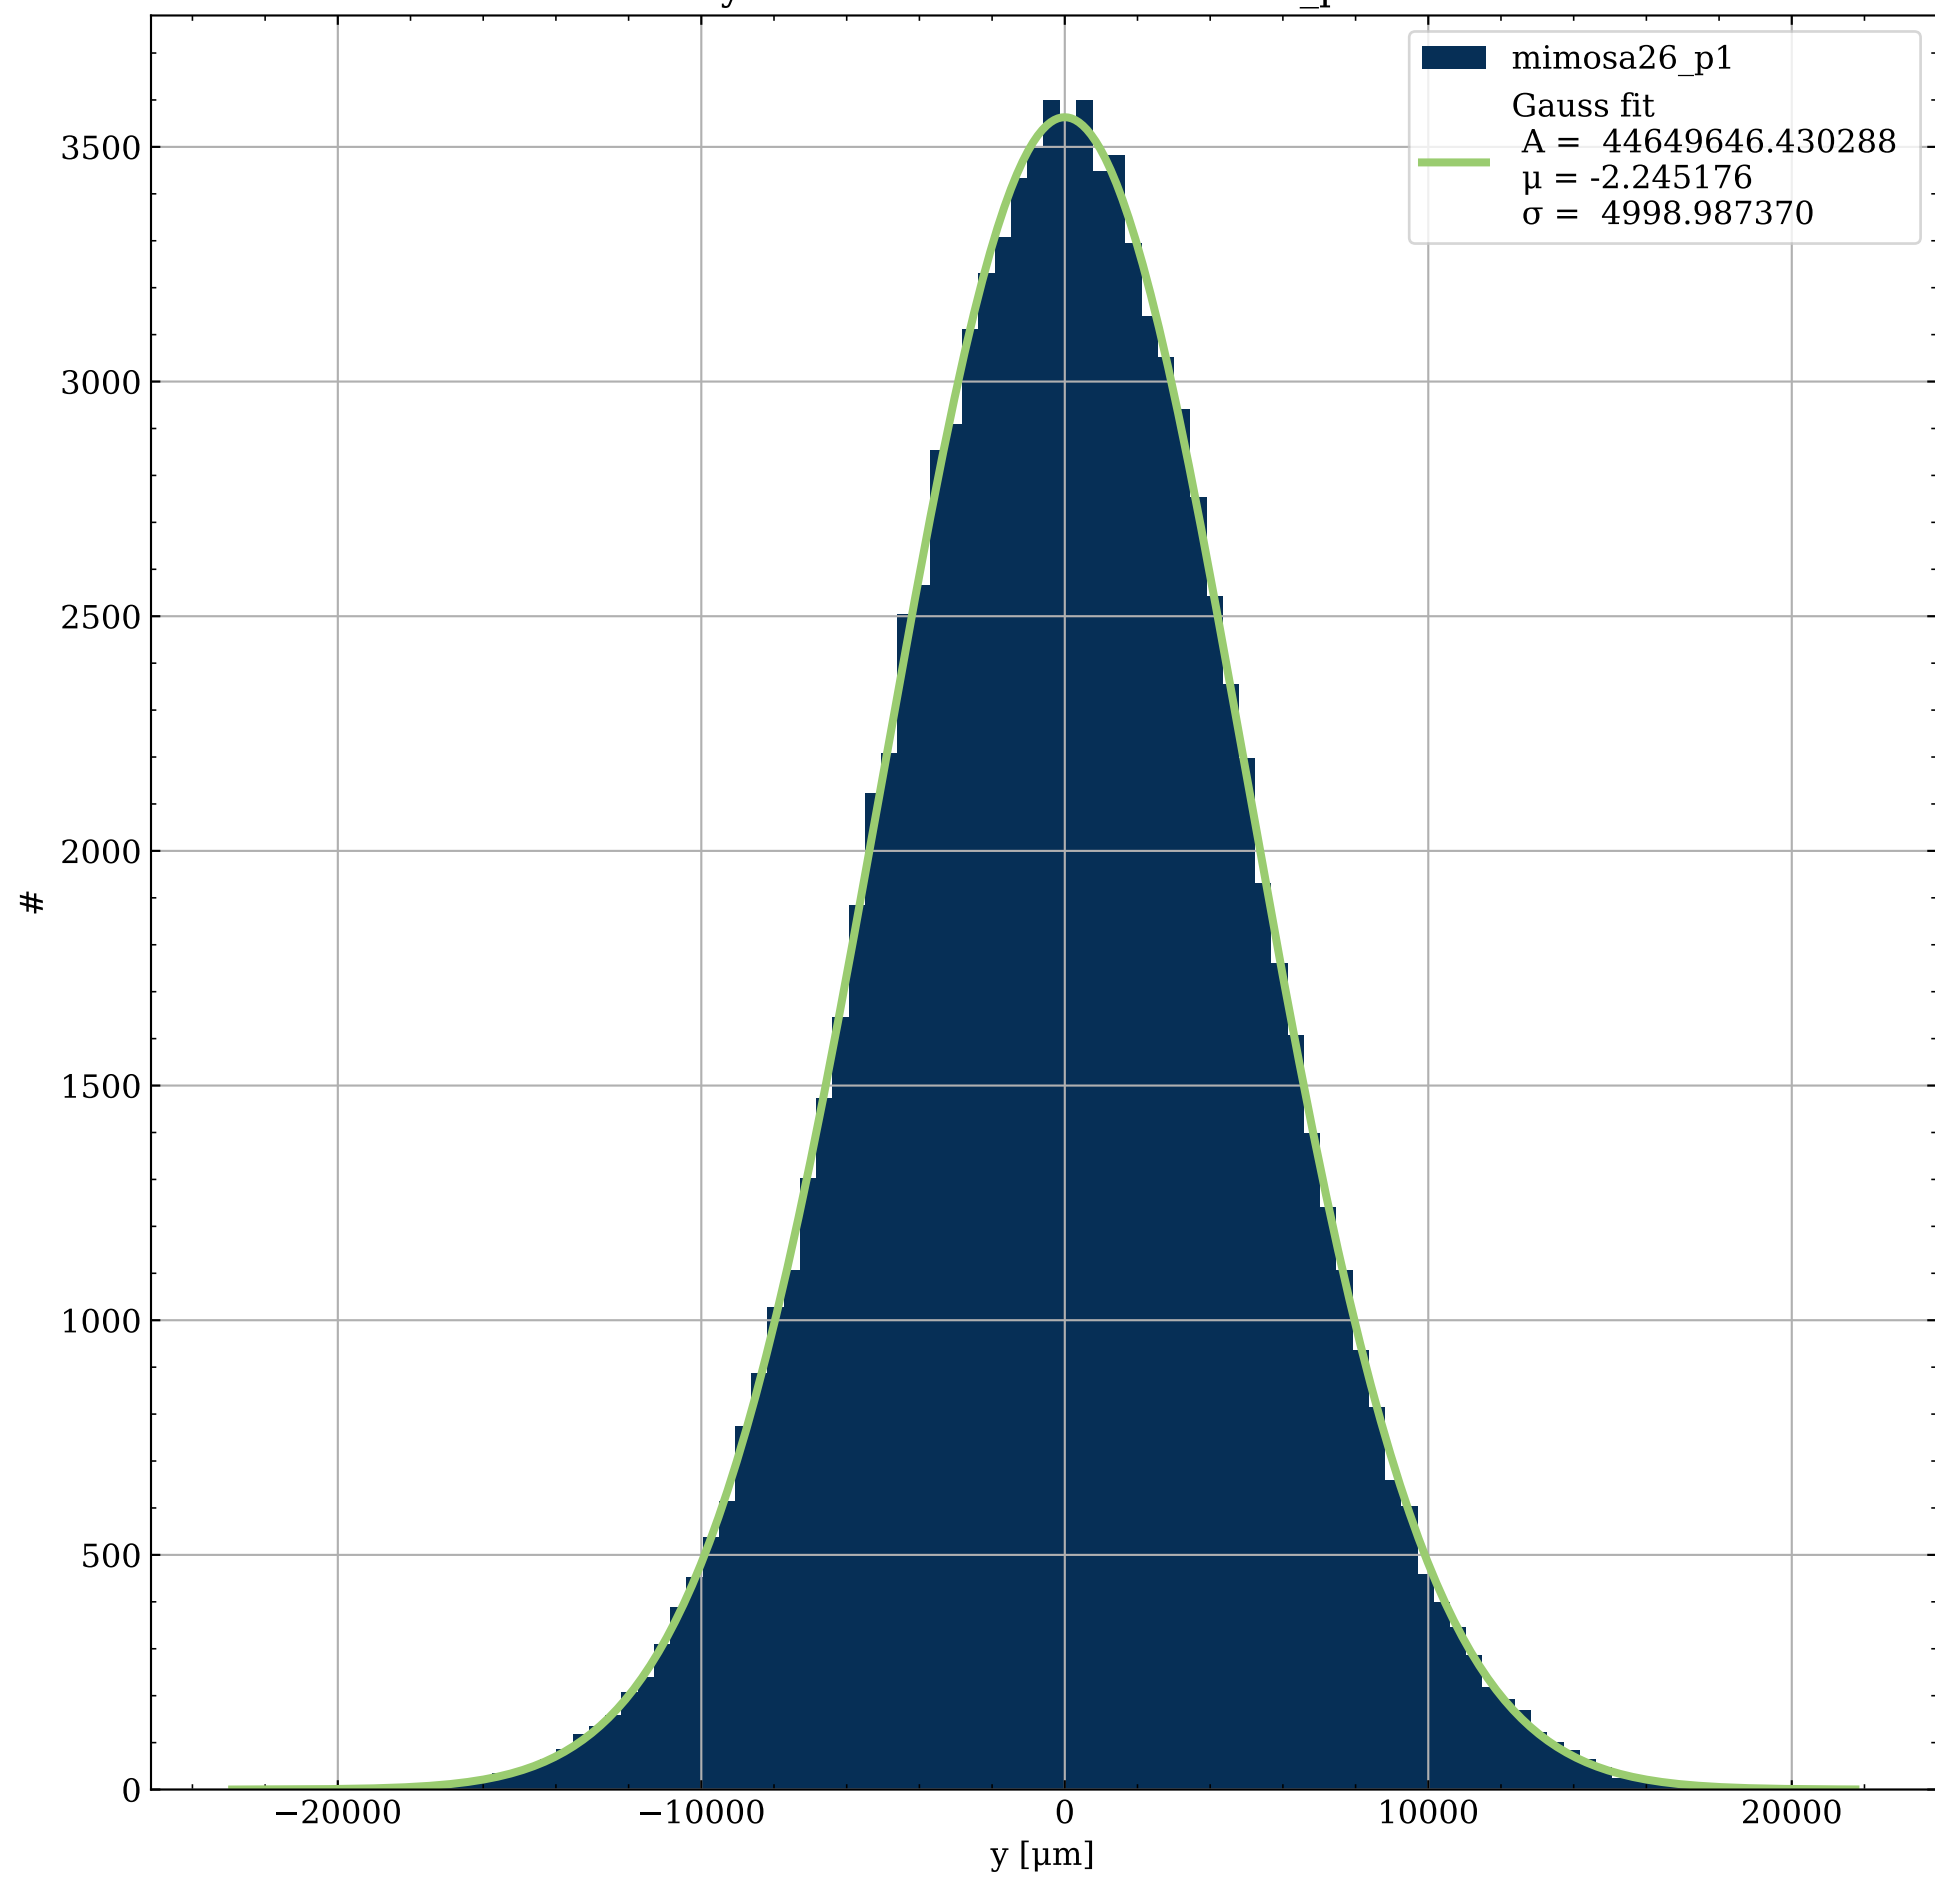

x distribution after mimosa26\_p1

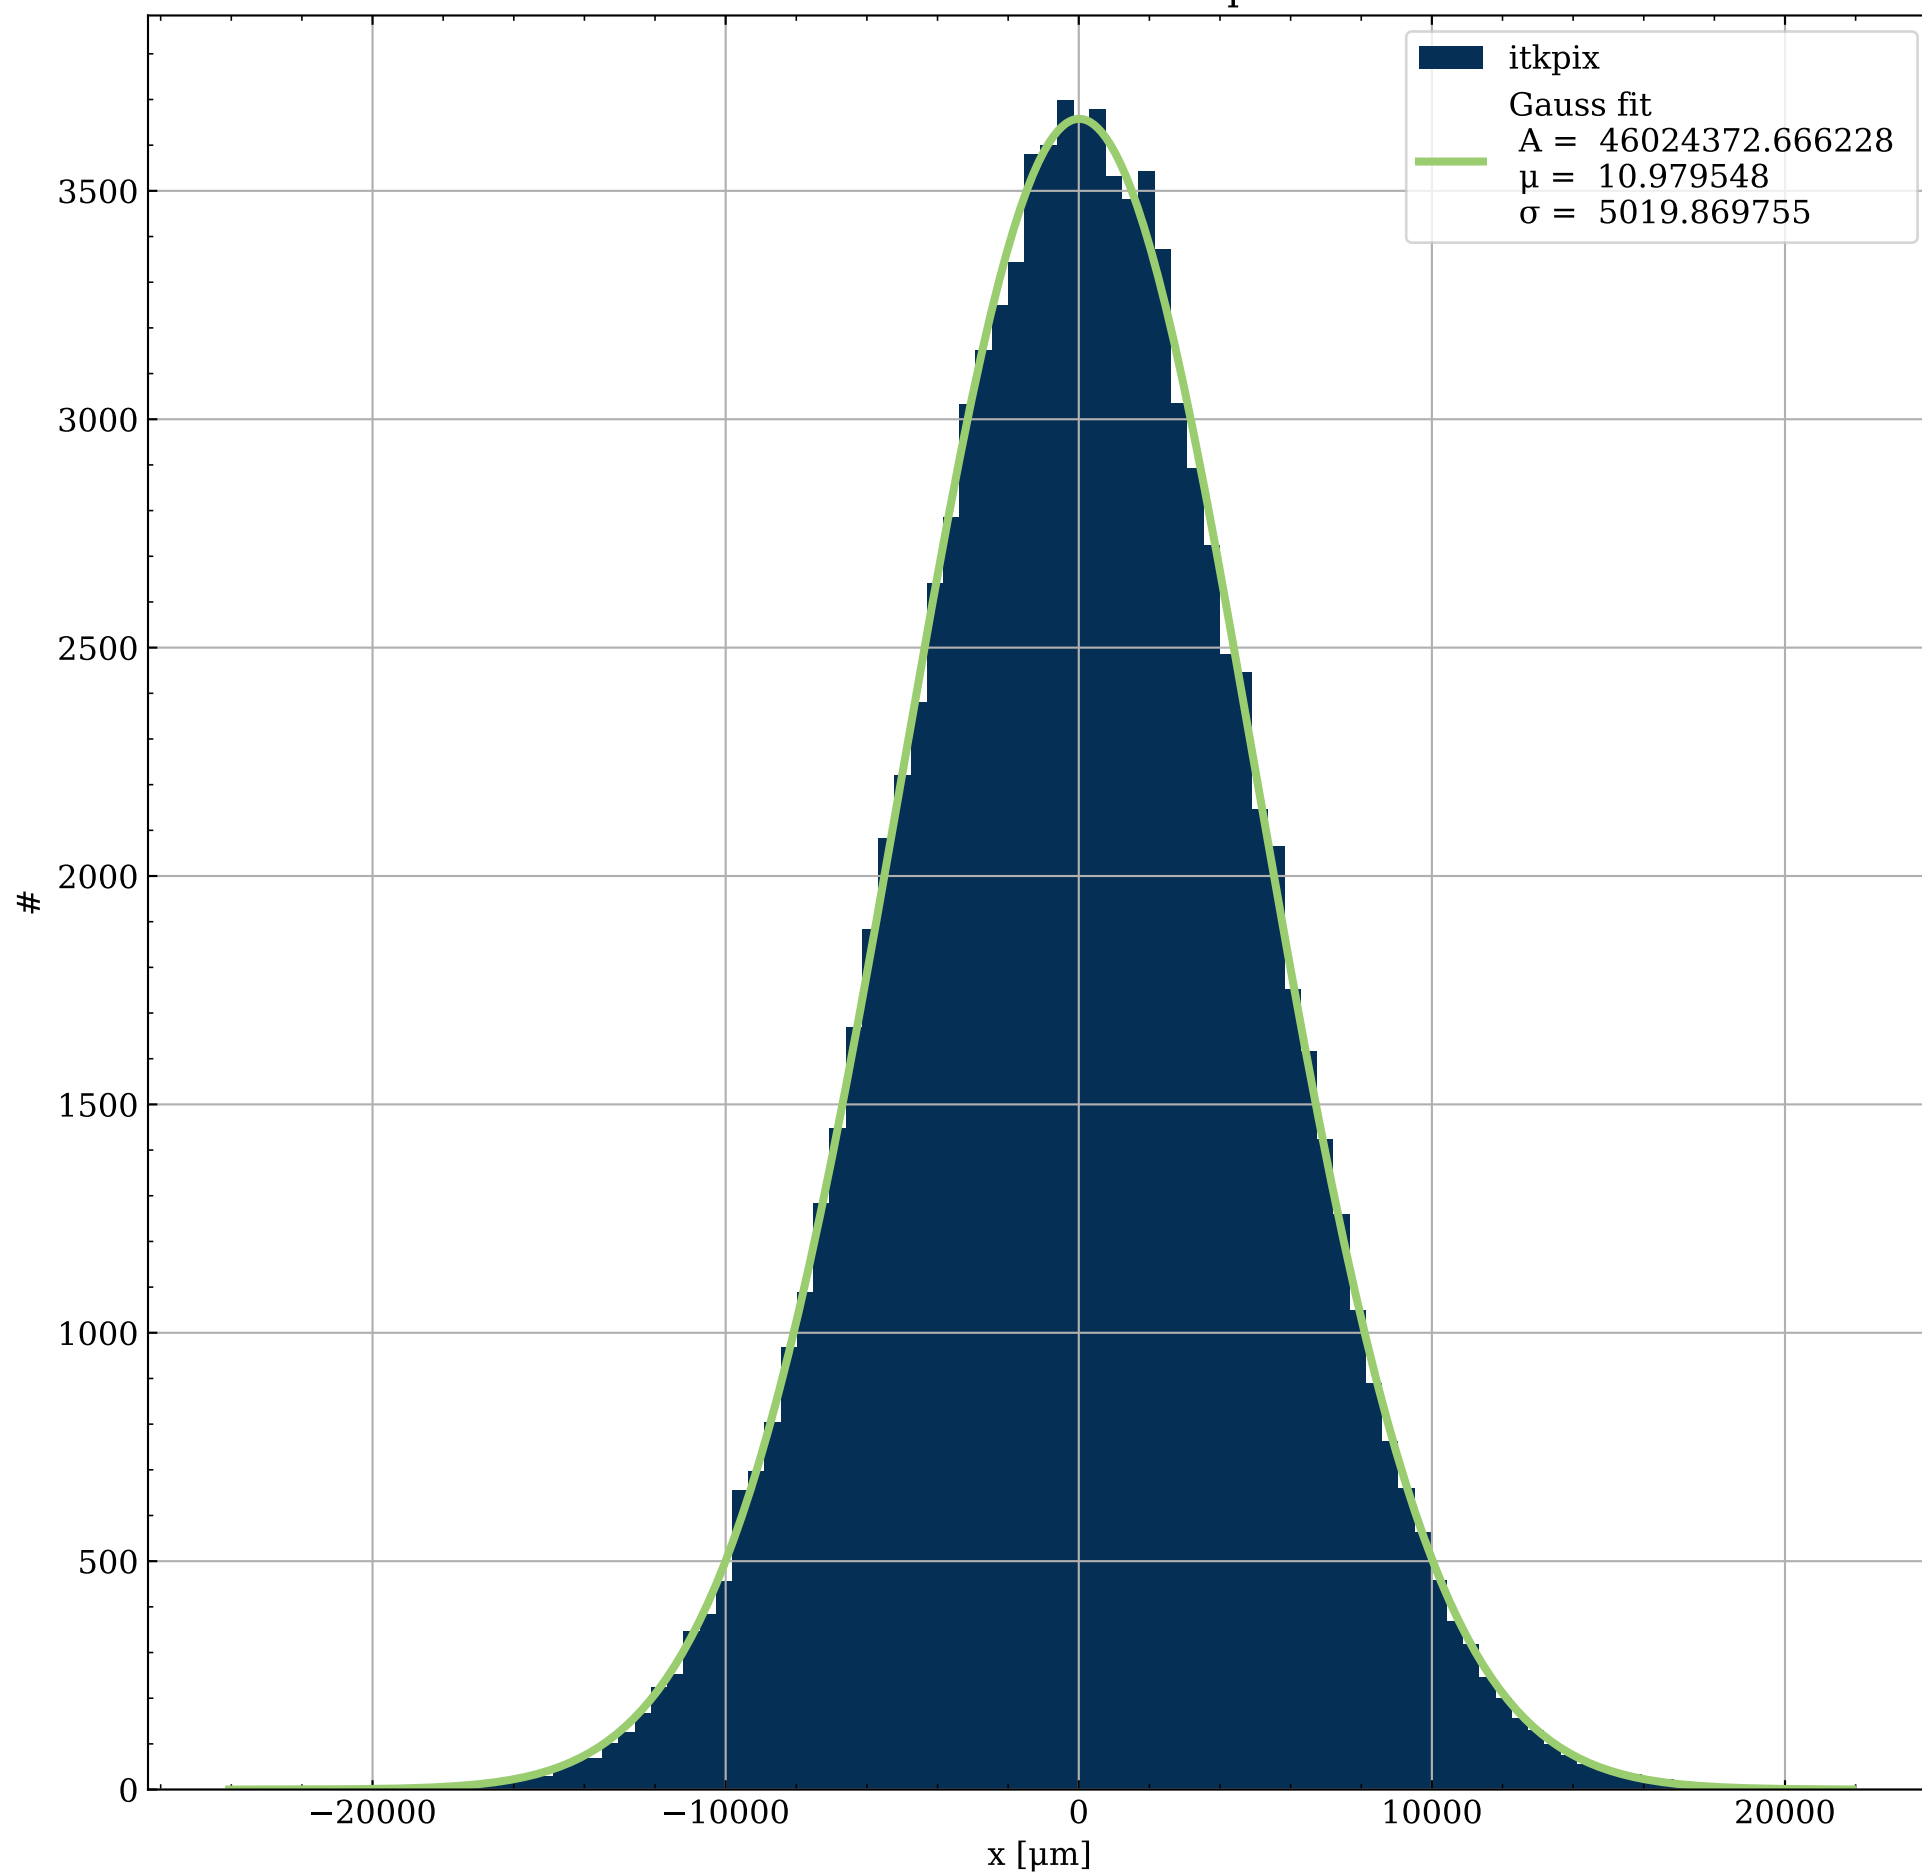

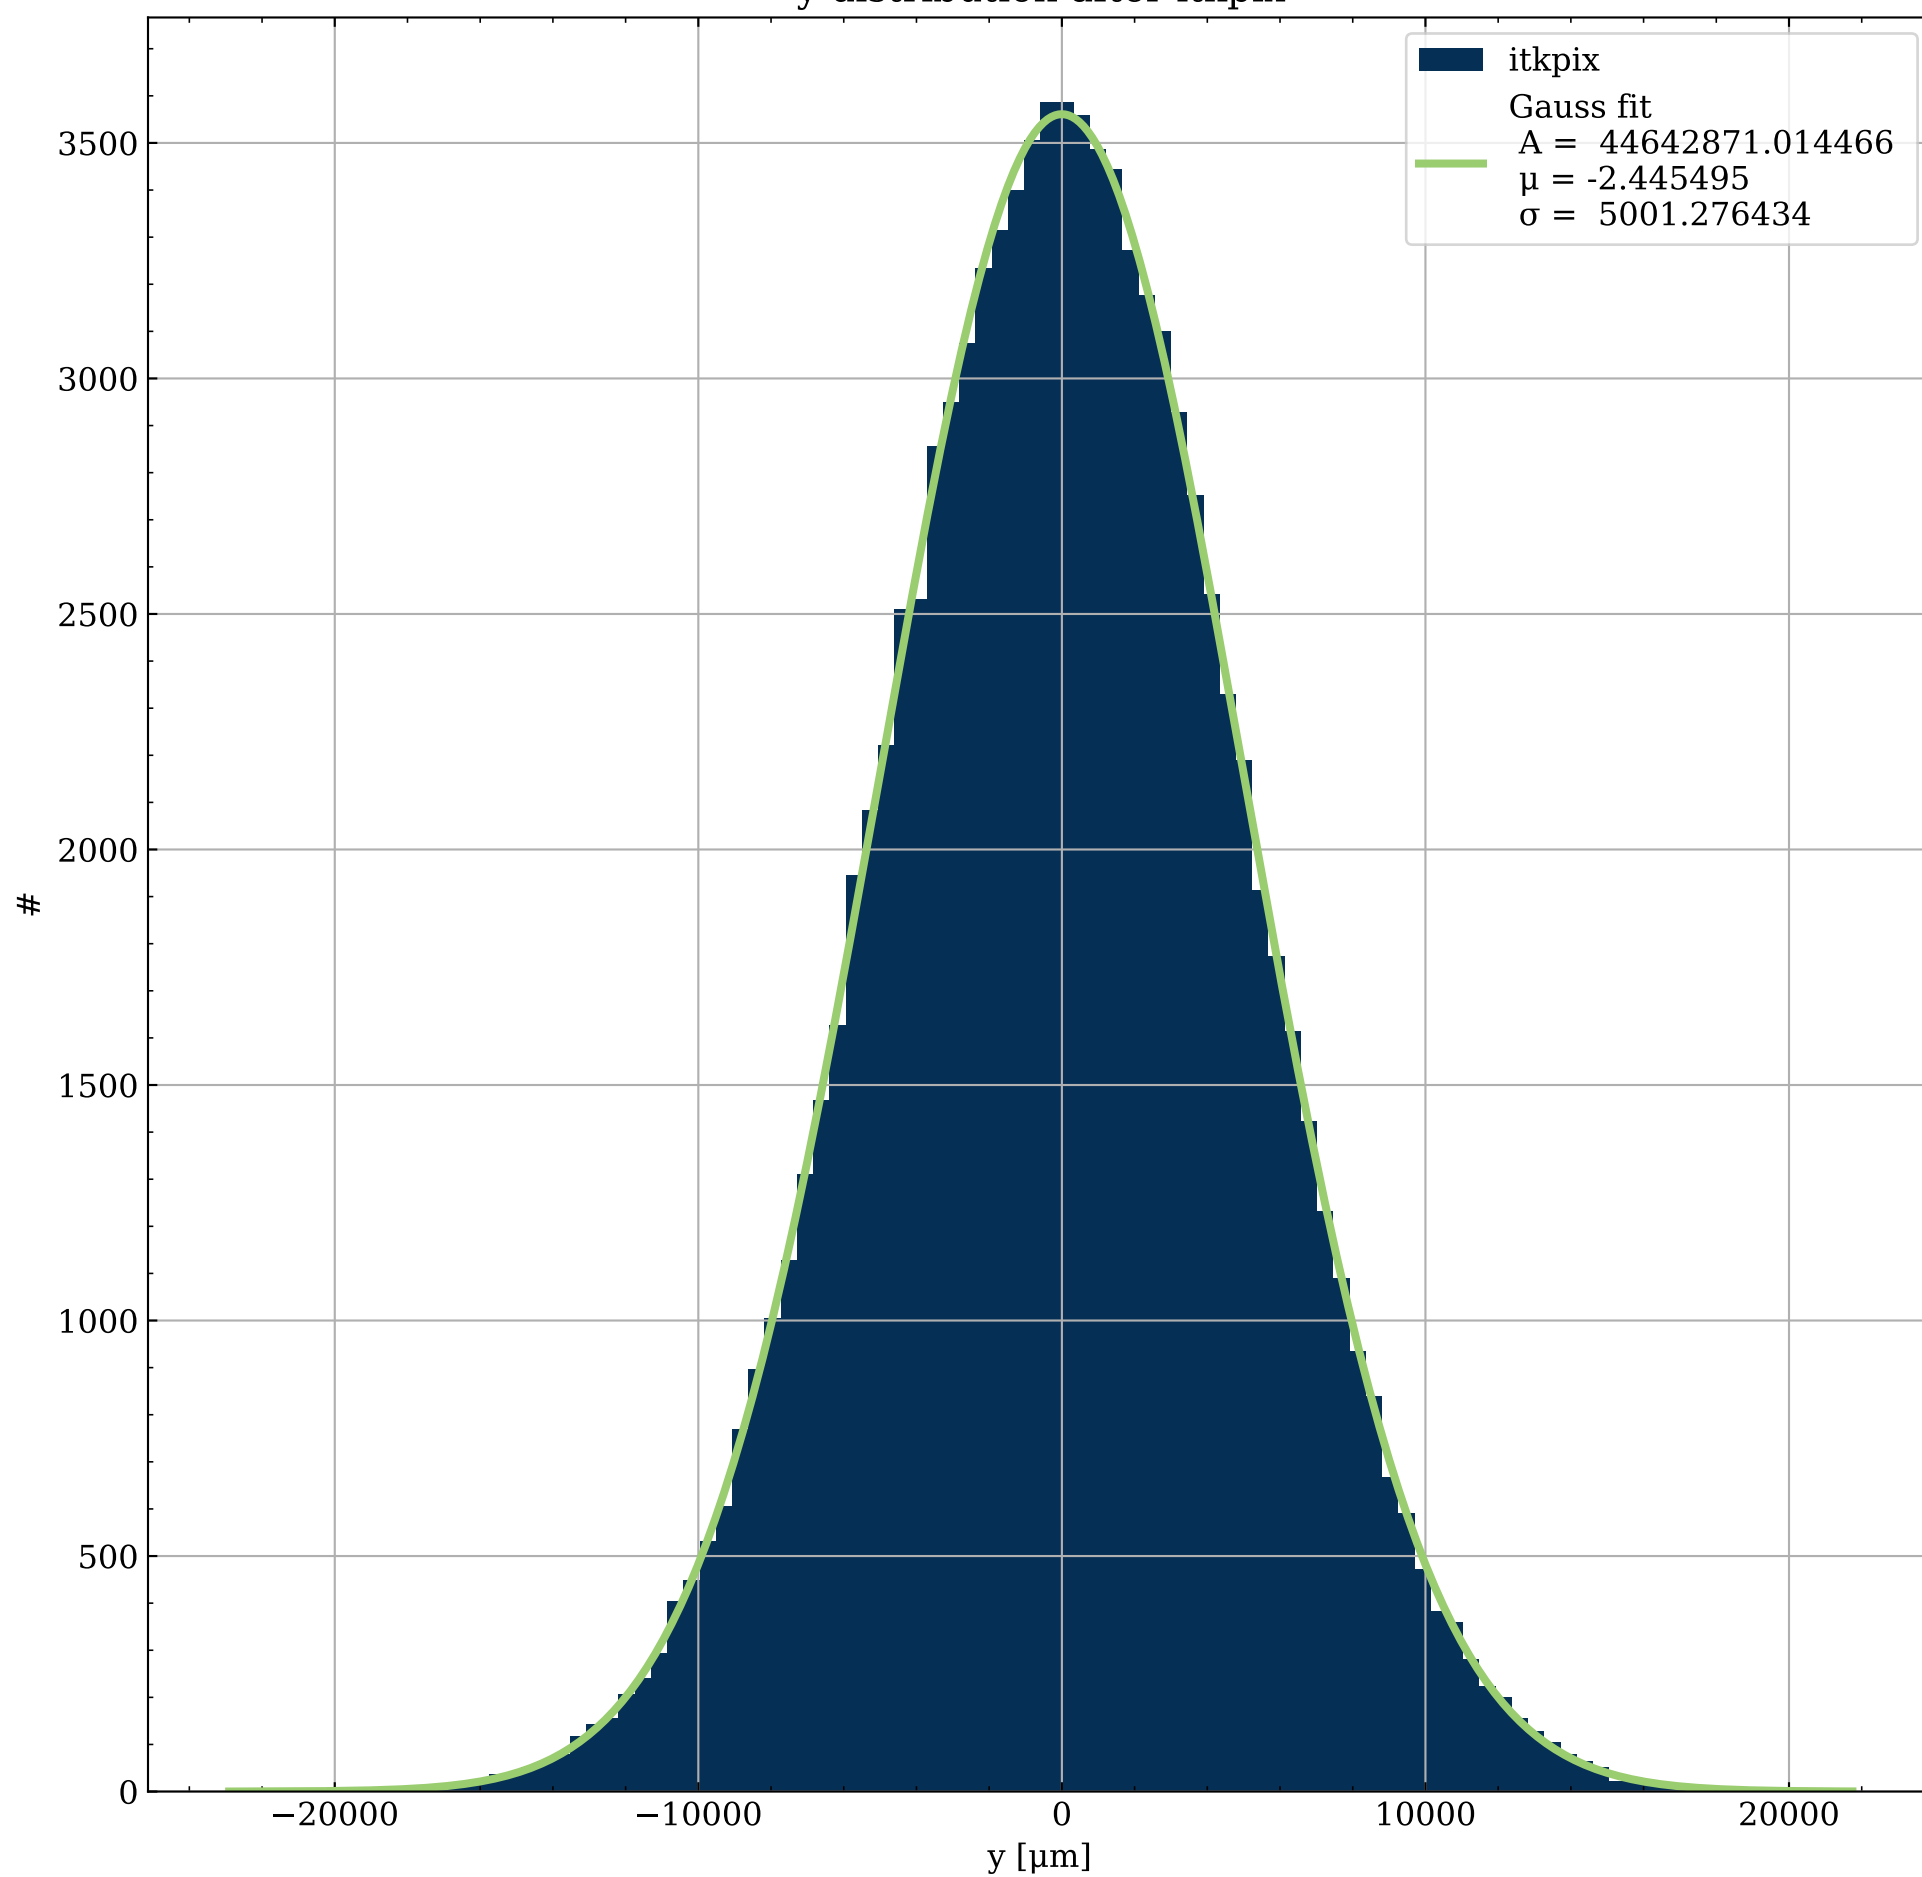

y distribution after mimosa26\_p1

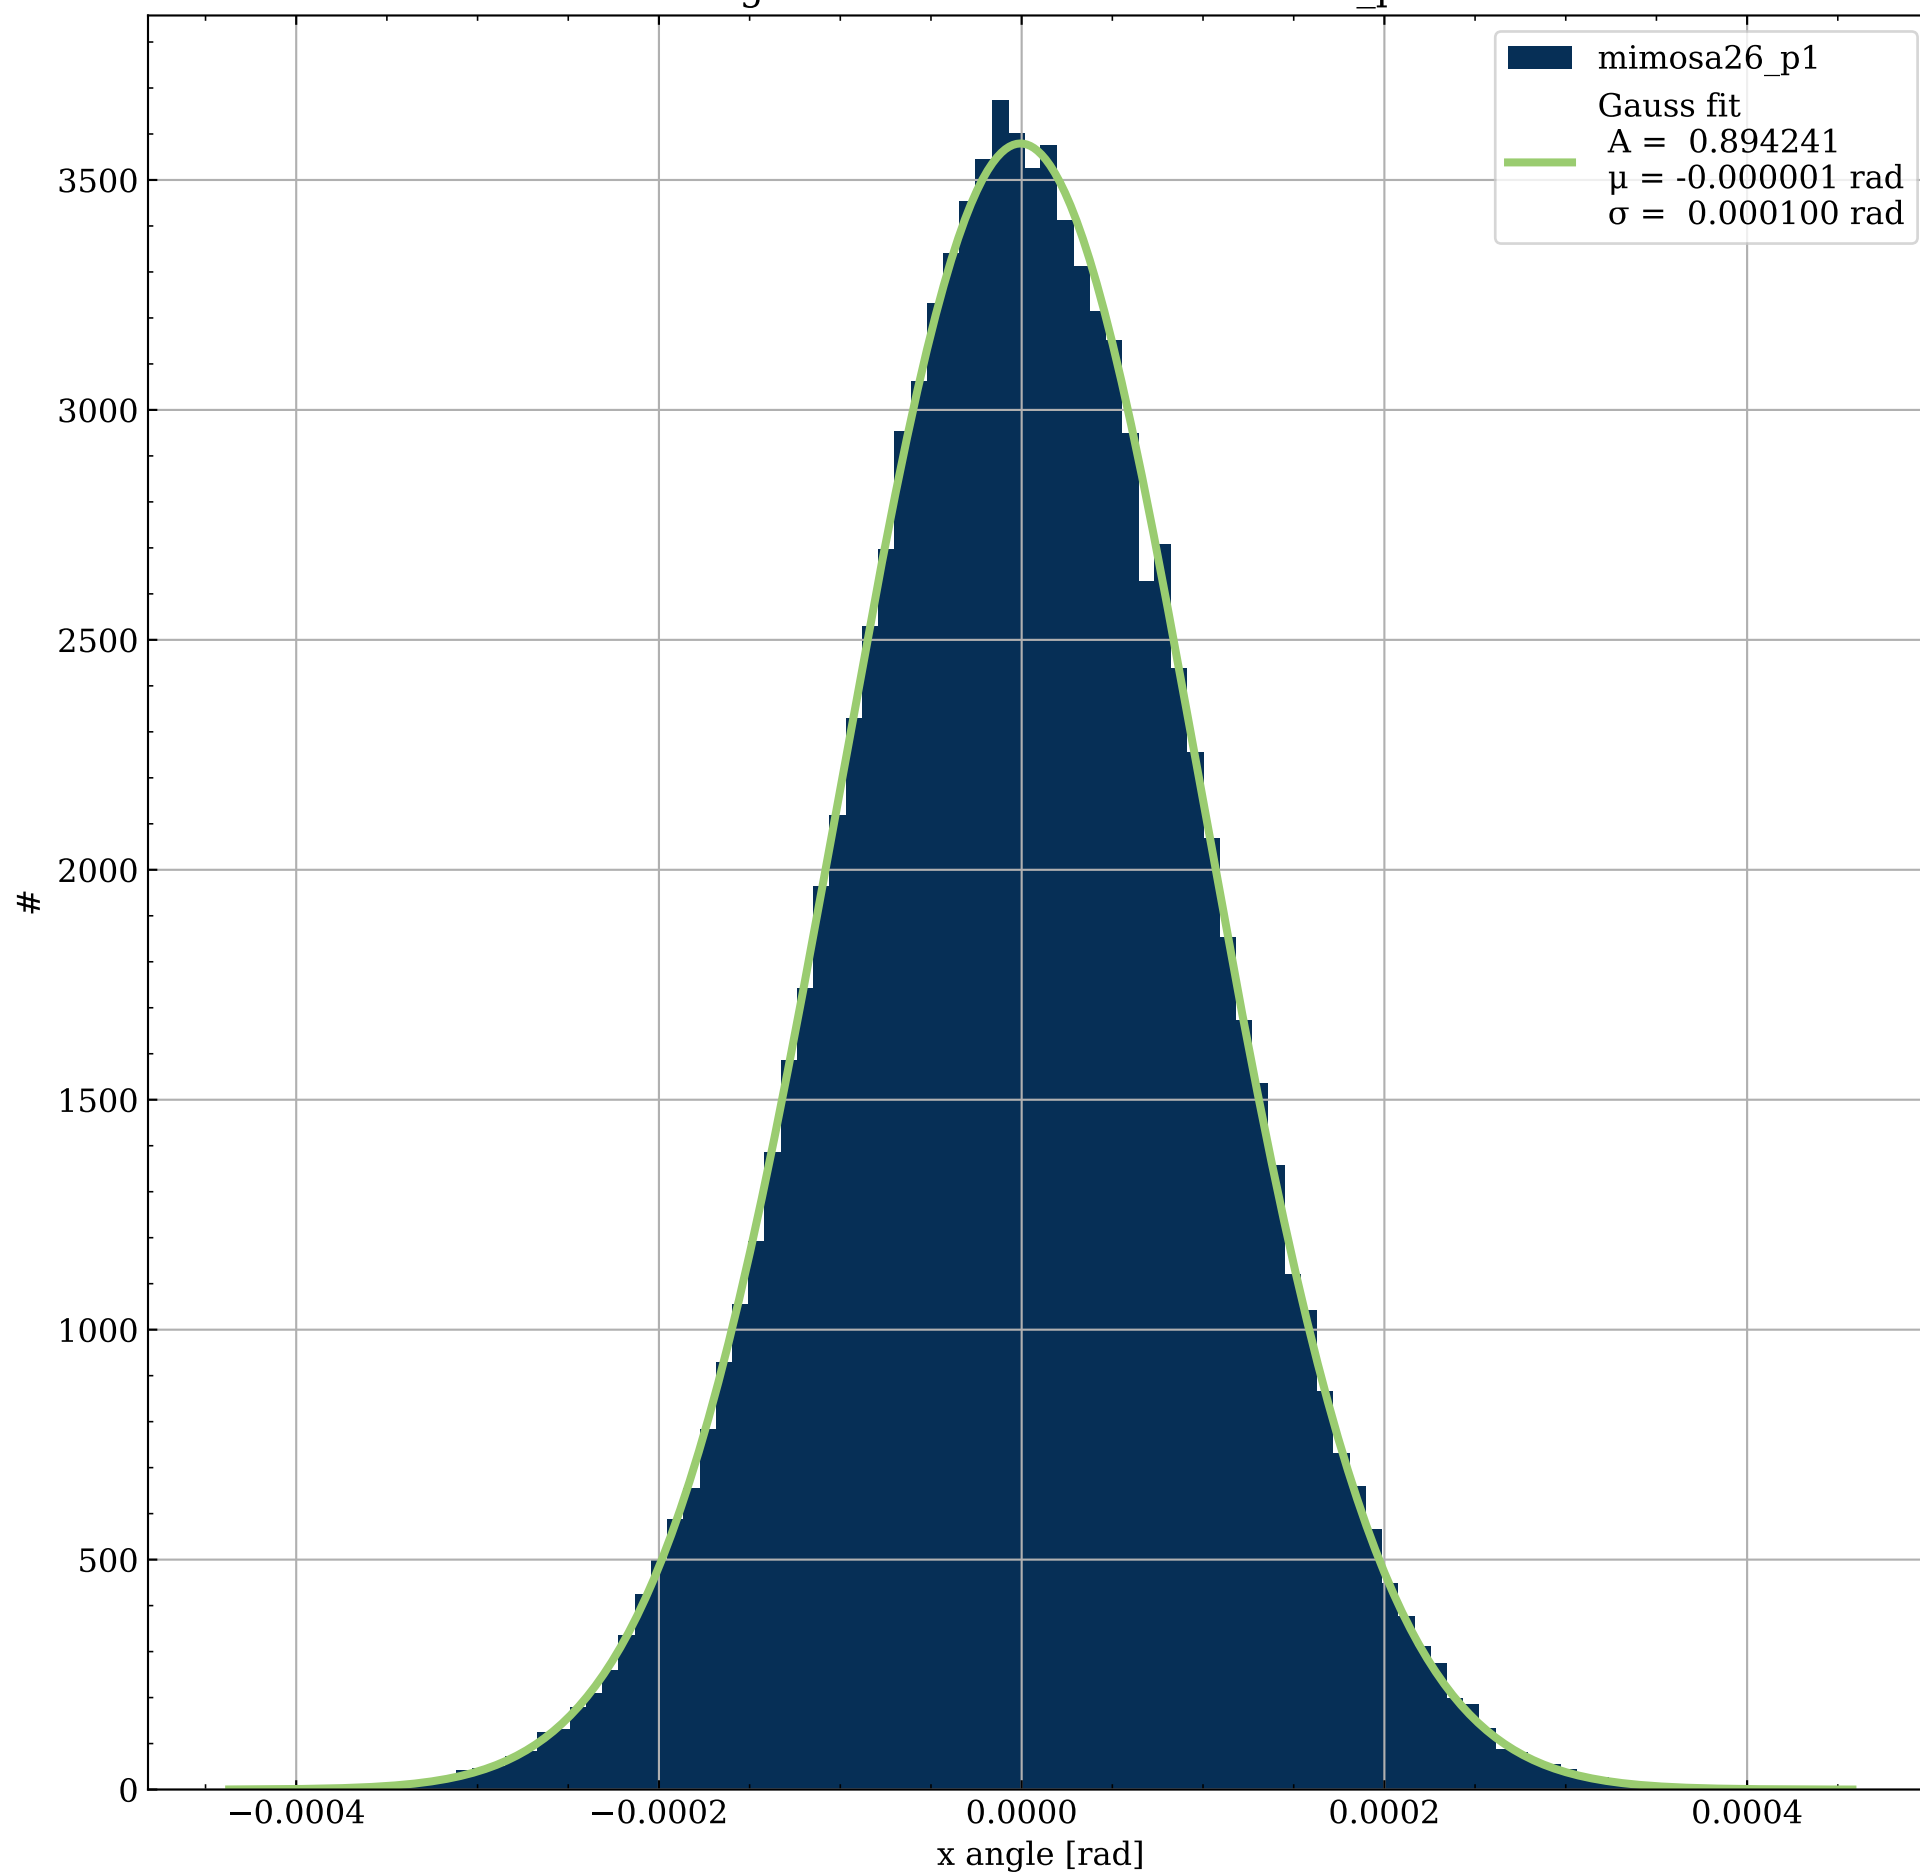

x distribution after itkpix

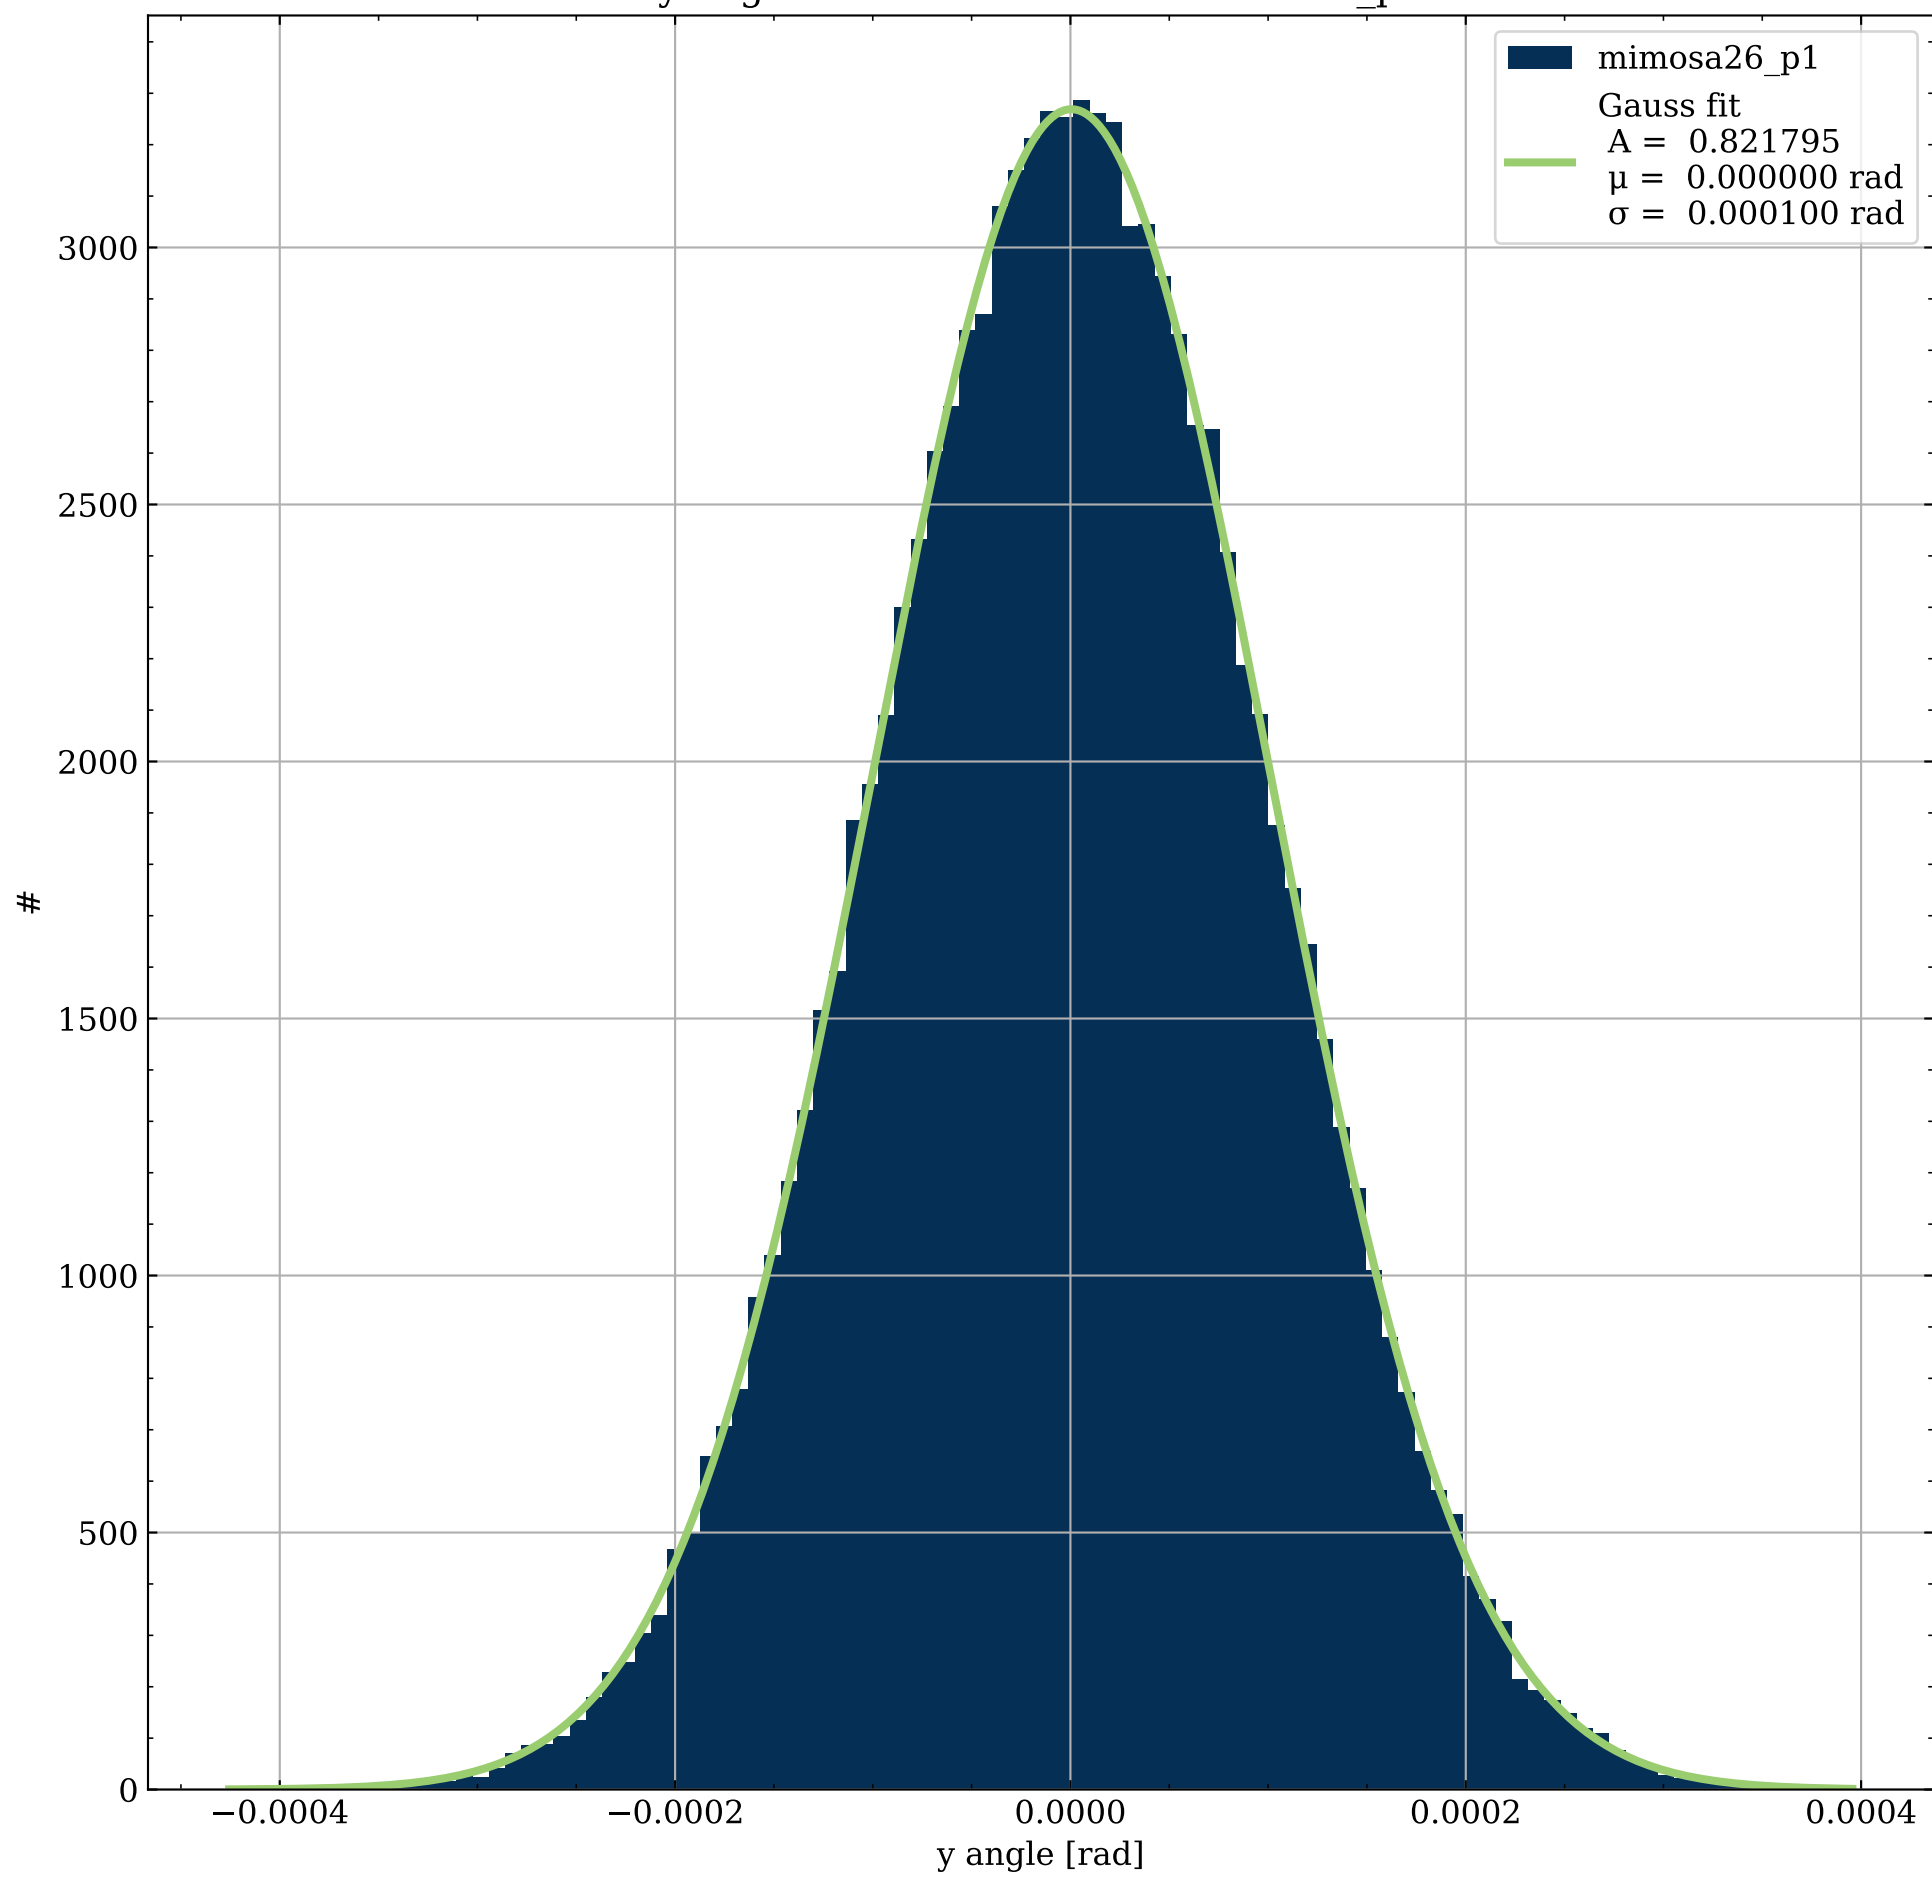

y distribution after itkpix

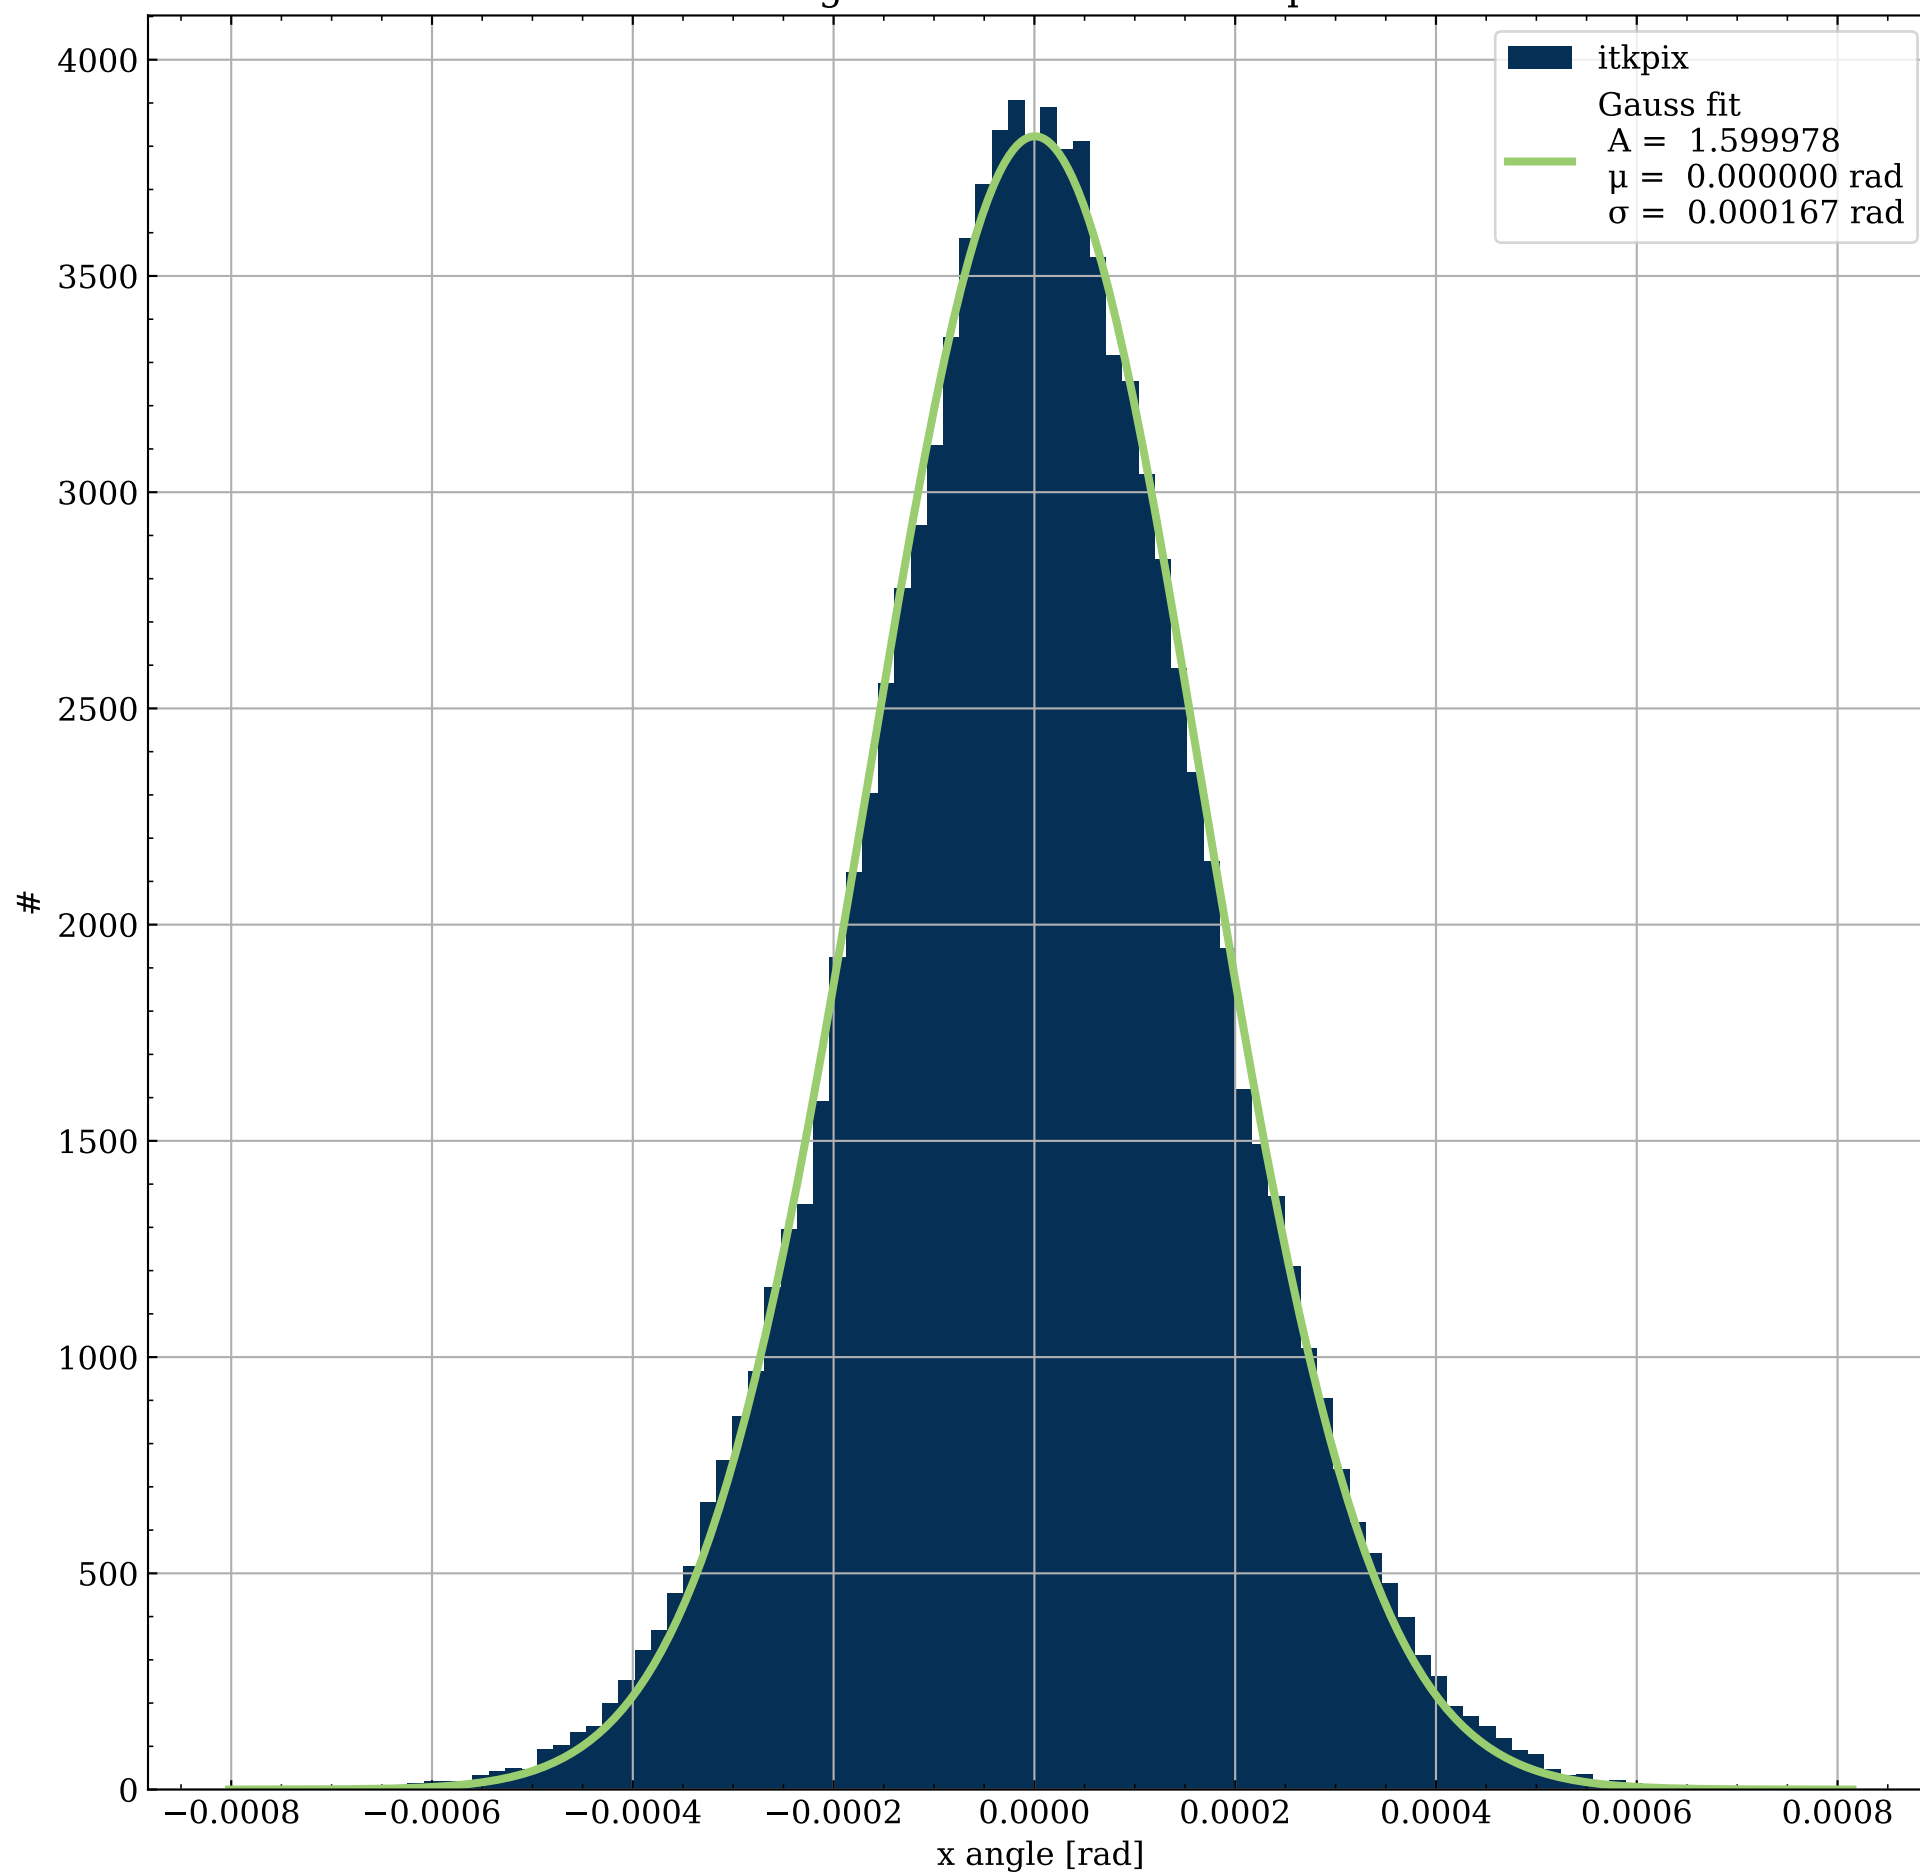

x angle distribution after mimosa26\_p1

y angle distribution after mimosa26\_p1

x angle distribution after itkpix

y angle distribution after itkpix
